FROM THE EDITOR'S DESK

The month of February is often associated with renewal and inspiration. As the seasons transition, so does the academic and research landscape at Sri Ramachandra Institute of Higher Education and Research (SRIHER), with vibrant discussions, innovations, and collaborations taking center stage. This month witnessed a series of remarkable events that strengthened our institution's commitment to scientific progress, academic excellence, and alumni engagement.

One of the highlights was the SRIHER National Science Day celebrations, held from 24th to 28th February, an event designed to foster dialogue on cutting-edge thematic research and encourage cross-disciplinary interaction. The celebrations featured thematic invited lectures, e-poster presentations, workshops, and a science quiz, attracting over 1000 participants from various disciplines. A key emphasis was placed on innovation, with student and faculty innovators presenting their pioneering work, alongside an IP clinic and an innovation exhibition, creating a platform to showcase the institution's commitment to transformative research. Adding to the dynamism, the Sri Ramachandra Faculty of Engineering and Technology (SRET) hosted Mindspark'25, a two-day national intercollegiate tech fest as part of SRIHER's Science Week celebrations. The event drew enthusiastic participation from students across institutions, fostering an environment of innovation and technological ingenuity.

The Dept. of Cardiology, SRMC&RI, further enriched the academic landscape with an insightful Grand Rounds online session on 'Anomalous Coronaries: An Update', where experts shared critical advancements and perspectives in the field of cardiology.

We also witnessed a heartwarming reunion at the Alumni Association Luncheon on 1st February, where 700 alumni gathered to reconnect, share experiences, and celebrate their journeys post-SRIHER. Such moments reinforce the lifelong bonds our institution fosters among its students and faculty.

As we move forward, let us carry the spirit of inquiry, collaboration, and innovation that defined February 2025 into the months ahead. Thank you for being a part of SRIHER's continuous pursuit of excellence.

When the Sun Rises

Ivory Brown eyes- big and beautiful-
gazing down upon her grandchildren, her stars,
they wake up, yawn a while-
an hour before they do the needful

The Sun rises,
we plunge into the riverbed of comfort,
as we cover our face-
a pretty woman stands upright, with an inherited gaze.

We play toddlers,
We play deaf,
We smile while asleep,
We whine to get up from the deep

Tricks and treats,
so in vain- they retreat,
We go back to our feet,
she understands- gives us more than a handful to eat.

Twenty one years of my life,
The woman I adore the most,
Twenty one years- if I were to relive,
I'd still hunt for more to give !

Her lap- my pillow,
Her cheeks- my embrace,
Her tears - my pride,
Her smile- my Happy ride !

விடியல் வரும் வரை

வாழ்வின் விடியாத விடியலை காண அஞ்சி
விழிகளை வீழ்த்தினாயோ?
தோள் கொடுக்க தோழன் இல்லாததனால்
துவண்டு தொய்ந்தாயோ?
கேலி குரல்களை கேட்க அஞ்சி
செவி சாய மறுத்தாயோ?
கசப்பான காலங்களால் சுவைக்காமல் சிதைந்தாயோ?
நேற்றைய நஞ்சினை நினைத்து
மூச்சை முடக்க முயன்றாயோ?
பிறப்பின் பலனுடன் குருதி கொதித்தெழு!
உனது விடியலால் உலகம் விழித்திட,
பல கரங்களின் ஒலி ஒலித்திட,
வெற்றிக்கனியை சுவைத்திட,
வாகை மலரை முகர்ந்திட,
வாழ்க்கையின் வாழ்வியலை வாழ்ந்து காட்டிடத் தானே!
