TO TRAINING IN UK

A virtual overview on PLAB and the admission process to the United Kingdom was conducted on 15 July 2021 for MBBS students of all batches of SRIHER from 12 PM to 2 PM.

The session kicked off to a great start by an introduction to the speaker of the day by Ms Rida Hussain and Mr Siddhant Raj Das (Student council members – MBBS second year).

The speaker for the day was Dr. Anukiran Ravichandran, alumni of the SRIHER family. He completed his MBBS from SRMC in the year 2019 and has also cleared MRCP part 1 – which is a Diploma and Specialty Certificate Examination. He is currently undergoing ACCS speciality training in Blackpool teaching hospitals in UK.

51 students joined the session and were benefitted.

It was an extremely interactive session where Dr. Anukiran spoke on all aspects of higher studies in the United Kingdom.

The speaker highlighted the following points:-

- 1) Advantages of working in the United Kingdom
- 2) Career progression in United Kingdom
- 3) The exams necessary for admissions in UK – a) Exams for English Competency - IELTS, OET
b) Licensing exams – PLAB, Royal College Exam
- 4) Tips prior to PLAB
- 5) Registrations and Recruitments
- 6) Expenses
- 7) Importance of building a great CV showing overall achievements of student in addition to medical school marks ; CV should include Prizes/awards, Presentation/Posters, Teaching Experience, Publications/Research, Projects , Leadership and Management experience, Training in teaching.
- 8) Point based scoring system for admission and Areas for students to focus on.

Students raised a lot of doubts and queries from preparation of PLAB to Visa Issues to importance of clinical experiences and Dr. Anukiran patiently responded to all doubts.

Dr. Pavithra attended the session and the session concluded with a vote of thanks by Mr. Siddhant Raj Das.

DEPARTMENT OF HUMAN GENETICS

HUMAN GENETICS ALUMNI MEET 2020

M. Sc Human Genetics, the first post-graduate program under the Allied Health Sciences in Sri Ramachandra Medical College and Research Institute (SRMC & RI) was started in the year 1998 under the direction and mentorship of Prof. T.K. Parthasarathy, the Vice Chancellor of SRMC & RI at that time. The department started as Genetic Research Cell with two faculty members Dr.Vikram Jayanth and Dr.Solomon F.D. Paul, one technician Ms. Bhavani and 10 students in the first batch. Over the years the research cell grew into a department actively involved in the three thrust areas of academics, diagnostics and research activities. As of January 2020, 297 students from 20 batches have received their degree in Master of Human Genetics and 26 Ph.D degrees. It is noteworthy to mention that graduates of this department now serve as academicians, researchers, certified diagnostic consultants and genetic counselors across the globe. Keeping in mind the tremendous growth of the department in the last 20 years, it was decided to conduct an alumni meet with the aim to foster and strengthen the department - alumni bond. It provided a great opportunity for the present graduates to understand the opportunities and challenges in their chosen specialty in the competitive professional world. It gives us immense pleasure to present the report of Alumni Meet, Department of Human Genetics.

Overview of the event:

The alumni meet was conducted on 12th February 2020 at the Dhanvanthri hall, SRIHER. A prior approval to conduct the event was obtained from the SRIHER Alumni Association and University Authorities. The date and programme was conveyed to the mentors, members of the board of study and alumni using various social platforms including Facebook, LinkedIn, E-mail and telephone calls. On the day of the event, the alumni gathered in the Hall between 9 and 10am to share their experiences. About 54 alumni participated along with the current batch of students and faculty of the department.

Inauguration of the event with University Anthem was started by 10.15am. The dignitaries on the Dias were as follows:

- ❖ Dr K. Balaji Singh, Dean of Students, SRIHER
- ❖ Prof. T.K. Parthasarathy, Professor of Eminence, & Director- International Relations, SRIHER.
- ❖ Dr. Vikram Jayanth, Founder- Department of Human Genetics (Currently, Canada)

- ❖ Dr. Sridevi Hegde, BOS- Member (Consultant Geneticist, Manipal Hospital, Bengaluru)
- ❖ Dr. P. Venkatesan – Mentor (Visiting faculty, SRIHER)
- ❖ Dr. Kalpana Balakrishnan – Mentor (Director, WHO Centre, Associate Dean – Research, Professor, Faculty of Public Health, SRIHER)
- ❖ Dr Solomon. F.D. Paul, Professor and Head, Department of Human Genetics, SRIHER.
- ❖ Dr. P. Venkatachalam, Professor, Department of Human Genetics, SRIHER.
- ❖ Dr.P.Venkatachalam welcomed the gathering
- ❖ Dr.K.Balaji Singh highlighted the contribution of the Human Genetics department to the academics and diagnostics for the institution.
- ❖ Prof. T.K. Parthasarathy expanded on the genesis of the first paramedical PG programme the Human Genetics and the current Faculty of Biomedical Sciences.
- ❖ The BOS members and mentors which included Dr. Sridevi Hegde, Dr. P. Venkatesan and Dr. Kalpana Balakrishna enthralled the students with their anecdotes on their personal experiences with the department for the past 20 years.
- ❖ Dr K. Balaji Singh and Dr. Solomon F.D.Paul honored the dignitaries with customized mementos, to honor their long-standing contribution to the students and the department activities over the years.
- ❖ Dr. Vikram Jayanth gave the special address and touched on the emerging global developments in human genetics and career opportunities. He has also honored the alumni with plant saplings in a gesture for a green campus and environment.
- ❖ Dr. P. Venkatachalam presented the evolution of the department with his presentation titled” SRMC & RI, SRU and SRIHER”

CAREER TALK

Date: 28.08.2020

Time: 4 PM – 5 PM

Speaker: Mr.Sooraj Prabhakar (Batch 2002 -2004)

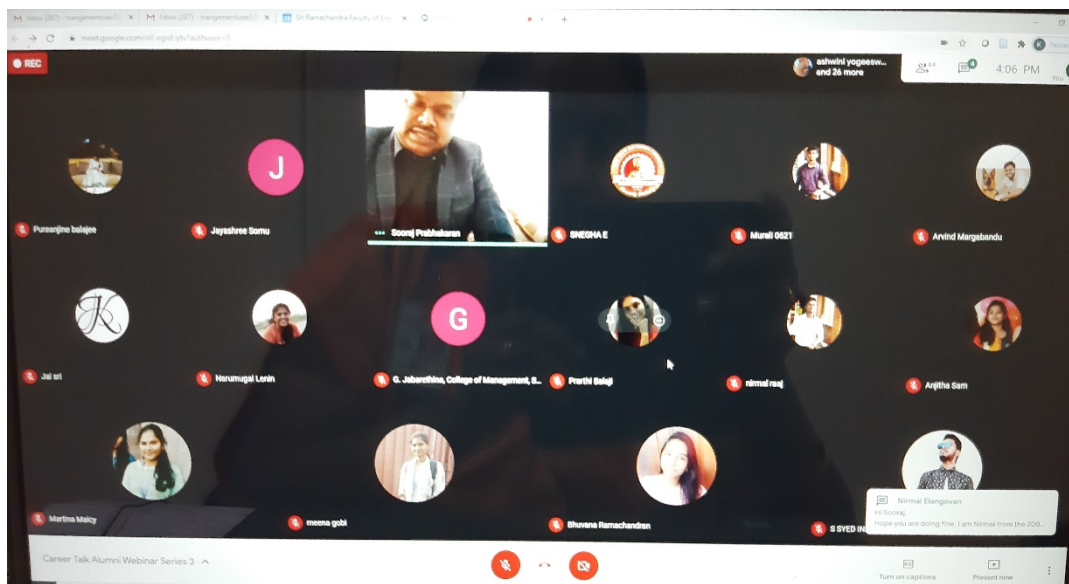

Audience: MBA, BBA, MPH and Alumni

Number of Attendees: 70

The Alumni webinar series organized by the Faculty of Management Sciences on 28th August 2020. Ms.K.N.Priya welcomed the gatherings and introduced the speaker Mr.Sooraj Prabhakaran alumnus. He gave an insight about a career as Hospital administrator. Mr.Sooraj, our alumni (batch 2002-2004), is currently designated as Manager – Managing Director's office, Ahalia Medical Group, UAE. While sharing his experience of becoming a hospital administrator, he emphasized on the importance of skill of the manager. He told as manager we need to be aware of all the concepts by hand such that we are confident enough to implement them practically. He also addressed how a candidate must appear for an interview. There, he told as a recruited while interviewing the candidates the first impression plays a major role followed by his competencies. Also in the view of the current pandemic, the managers are expected to be agile by the organizations. Post pandemic, the candidates with sound knowledge of analytics will have an edge over others, he says. Mr.Sooraj also shared how Ramachandra FOM helped him gain the managerial skills and knowledge that had helped him rise to this position. All this he answered while taking few questions from the participants. The session ended with a thank you note to the speaker by Ms.Priya on behalf of students and Faculty of Management.
