FOREWORD

The Annual Report 2024–2025 of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) presents a comprehensive overview of the year's milestones, achievements, and initiatives. Released on the occasion of the 40th Convocation held on 15th October 2025, this report encapsulates the dynamic progress of our academic branches and administrative units.

It highlights our wide spectrum of academic programmes, admission and graduation trends, committee activities, research collaborations, memoranda of understanding (MoUs), faculty achievements, awards, and contributions to international and national conferences and publications. The report also showcases social outreach initiatives, innovation-led projects, and significant events that reflect the university's steadfast commitment to excellence in education, healthcare, and research.

With curated images capturing the spirit of the past year, this report stands as a testament to our collective pursuit of quality and impact. I am confident that the Annual Report will serve as a valuable reference and source of inspiration for all our stakeholders, collaborators, and well-wishers.

Description of Emblem

The emblem of the University has four salient images depicted in it: The red triangle with its apex pointing up, the bow, the arrow and the entwined snakes.

The triangle with the arrow underscores the Mission of the University: viz, to merge the three enduring objectives – Education, Healthcare and Research – represented by its three sides into a harmonized whole and hold it launched boldly up into the future. The arrow in addition, stands for the wand of Hermes (or the staff of Asclepius) and with the two entwined snakes represents the Caduceus, which has been traditionally used as the symbol of the medical profession. Uniquely, the bow here adds dynamism and a further dimension to the theme as it holds the arrow poised with its focus into posterity.

Message from the Chancellor

It is with deep joy and pride that I address you on the occasion of our 40th Convocation. This milestone is not only a celebration of academic accomplishments but also a reaffirmation of the values and vision upon which Sri Ramachandra Institute of Higher Education and Research (SRIHER) was founded by our beloved Founder Chancellor, Ayya Thiru. N.P.V. Ramasamy Udayar. His dream was to create an institution where quality education and compassionate healthcare would go hand in hand, serving not only the nation but humanity at large. Today, as we stand on the strong foundation he laid, we remain guided by his enduring vision.

At the heart of our institution lies a steadfast commitment to excellence in teaching, research, and healthcare. True excellence, as envisioned by our Founder, is not measured merely by accolades, but by the ability to transform lives. Every step forward by SRIHER, whether in academics, research, or service, is a tribute to his foresight and determination.

Our students are the living embodiment of this vision. Their growth - academic, professional, and personal is nurtured through holistic education that combines knowledge with compassion and skills with ethics. We take pride in preparing graduates who step into the world not only as competent professionals but also as empathetic human beings, ready to serve society with humility and integrity.

Equally, our Founder's principle of 'Healthcare for All' continues to inspire us. Through the Sri Ramachandra Medical Centre and Hospital, we provide advanced, affordable, and compassionate care to millions. Quality in healthcare is not just a benchmark but a sacred duty. Our recognition as an 'Excellence in Quality' institution and a five-star 'Eat Right Campus' are reflections of this commitment.

Above all, our foundation rests on embracing humanity. Inclusiveness, empathy, and service form the essence of our mission, just as our Founder envisioned. We are not merely producing graduates or publishing research; we are shaping individuals who will heal, uplift, and inspire.

As we look ahead, we remain committed to advancing learning and healthcare while holding firmly to the values bestowed upon us by our Founder Chancellor. To our graduating students, I say; carry forward this noble legacy, lead with wisdom, serve with compassion, and contribute to building a healthier and more humane world.

With blessings and best wishes,

V.R. VENKATAACHALAM

Message from the Pro-Chancellor

As we gather to celebrate the 40th Convocation of Sri Ramachandra Institute of Higher Education and Research (SRIHER), my heart is filled with gratitude and pride. This is not only a day of joy for our graduates and their families but also a moment to reflect on the vision of our revered Founder Chancellor, Ayya Thiru. N.P.V. Ramasamy Udayar. His values of discipline, service, compassion, and excellence continue to light our path, guiding us in every stride we take as a university community.

This past year has once again shown us that his vision is alive in every sphere of our institution. Our students and faculty have distinguished themselves not only in academics and research but also in the broader arenas of service and achievement. Our sports teams and athletes brought laurels at the state, national, and inter-university levels - securing medals in rowing, skating, swimming, and carrom. These victories are not merely trophies; they represent the determination, discipline, and team spirit that our Founder valued deeply.

Equally inspiring is the work of our NSS volunteers and NCC cadets, who embody the spirit of service and nation building. By adopting villages, conducting health awareness sessions, environmental initiatives, and participating in national-level NCC camps, they reflect our institution's commitment to social responsibility and patriotic values. Their service is a living example of learning beyond classrooms, rooted in humanity and community care.

I must also acknowledge with great appreciation the vibrant role of our alumni. They remain an enduring strength of SRIHER, offering scholarships, supporting infrastructure, conducting workshops, and guiding students with career mentoring. Their continued engagement reflects the lifelong bond our graduates share with their alma mater, and their generosity is a reminder that true success lies in giving back.

As we celebrate these achievements, let us remember that all of them are anchored in the values of our Founder Chancellor. His dream was not simply to create an institution of learning, but a community where education, healthcare, service, and humanity blend seamlessly. Today, every achievement; in the lab, on the sports field, in rural communities, or through alumni contributions reaffirms his vision.

To our graduates, I extend my warmest congratulations. May you carry forward this legacy with pride, and may the light of our Founder's vision continue to inspire your journey in the years to come.

R.V. SENGUTUVAN

Message from the Vice-Chancellor

It gives me immense happiness to extend my greetings on the occasion of the 40th Convocation of Sri Ramachandra Institute of Higher Education and Research (SRIHER). Each convocation is a moment of celebration, not only for our graduates and their families but also for the institution as a whole, as it reflects our progress in academics, research, and service to society. This year has been especially significant, with SRIHER strengthening its position as a premier centre of higher learning. We have introduced new academic programmes, expanded the Choice-Based Credit System, and deepened student engagement in innovative modes of learning. Our consistent NAAC A++ grade and NIRF rankings stand as evidence of our commitment to quality education. Importantly, our global outlook continues to expand through 33 new Memoranda of Understanding (MoUs) with leading universities and research centres across the world, opening new pathways for student and faculty exchange, collaborative research, and internationalisation. Our Medical Centre received the prestigious AHPI Excellence in Quality Award, while our campus was recognised by the FSSAI with a five-star 'Eat Right Campus' certification.

Academically, we launched four new programmes, expanded our Choice-Based Credit System across disciplines, and witnessed strong participation in SWAYAM-NPTEL courses, demonstrating our commitment to flexible, outcome-based learning. Over 90% of students succeeded in university examinations, with 58 Ph.D. candidates completing their research.

Research at SRIHER continues to thrive, with faculty contributing over 1,100 publications in indexed journals, filing 20 new patents, and securing extramural grants worth ₹58 crores from premier national and international agencies. Our innovation and incubation Centre, now a Section 8 company, nurtures 37 start-ups and 50 student pre-incubatees, reflecting our strong entrepreneurial ecosystem.

In healthcare, our hospitals served more than 18 lakh patients, organised numerous medical camps, and continued to set benchmarks in quality and patient safety. Student support remained a cornerstone through scholarships, mentoring, vibrant cultural and sports activities, and international placements with packages up to ₹72 LPA. Our students also brought laurels in national-level sports, while our NSS and NCC units carried forward our tradition of community service and nation building.

As we celebrate these achievements, our gaze remains firmly on the future. With innovation, compassion, and collaboration as our guiding principles, SRIHER is committed to shaping professionals who will improve health, transform society, and inspire change.

I extend my heartfelt gratitude to our Chancellor, Pro-Chancellor, faculty, staff, alumni, and students for their unwavering support and dedication. Together, we shall continue to scale new heights.

UMA SEKAR

Message from the Pro Vice-Chancellor

The 40th Convocation is not only a celebration of academic excellence, but also a reflection of the values and vision that continue to guide Sri Ramachandra Institute of Higher Education and Research (SRIHER).

As we look back at the journey from July 2024 to June 2025, the achievements of our University stand as a testament to our collective dedication. Our consistent performance in national and international rankings, our recognition in healthcare excellence, the expansion of global partnerships, and the vibrant student engagement through academics, research, sports, and community outreach all underscore SRIHER's unwavering commitment to quality and innovation.

Our vision for the coming years is to strengthen SRIHER's role as a global leader in health sciences education, patient care, and research. We will continue to adopt innovative teaching methodologies, harness emerging technologies, and foster cutting-edge research in areas of national and global importance. By deepening international collaborations and nurturing entrepreneurial ventures through our Innovation and Incubation Centre, we aim to create an ecosystem that empowers our students and faculty to become pioneers in their fields.

Equally important is our enduring commitment to service. The true success of our institution will be measured not just by academic rankings, but by the impact, we create in improving health, well-being, and quality of life. Our graduates, faculty, and researchers will continue to embody values of compassion, resilience, and integrity, ensuring that SRIHER remains synonymous with trust and excellence in healthcare and education.

As we move forward, our mission is clear: to educate, to innovate, and to serve society with responsibility and vision. Together, we will shape a future where Sri Ramachandra Institute of Higher Education and Research continues to inspire, heal, and lead.

Welcome Address and Vice Chancellor's Report

at the
40th Convocation held on 15th October 2025

Distinguished Chief Guest, respected Chancellor, esteemed Pro-Chancellor, Members of the Executive Council, Faculty, proud parents, and most importantly, our graduands of the day — Good afternoon to all.

It is with immense pride and privilege that I welcome you all to the 40th Convocation of Sri Ramachandra Institute of Higher Education and Research. Today is not merely a ceremony; it is a celebration—of dreams fulfilled, of resilience rewarded and of futures waiting to unfold.

Let us at the outset, pay our humble tribute to our beloved Founder, Ayya Thiru N.P.V. Ramasamy Udayar, whose vision and determination created this edifice of learning. His legacy continues to guide every step that we undertake.

A warm welcome to our Chief Guest for this convocation Padma Shri Shri. Sridhar Vembu, Founder and Chief Scientist, ZOHO Corporation. Born in Tanjore District, Tamil Nadu, Shri Vembu graduated with a bachelor's degree in Electrical Engineering from the Indian Institute of Technology, Madras, earned his MS and PhD in Electrical Engineering from Princeton University. After a stint in USA, he chose to come back to India - to a small village in Tenkasi, Tamil Nadu. His determination, hard work, foresight and a deep mission for developing India as a world class self-reliant technical hub resulted in ZOHO Corporation. Launched as Advent Net initially in 1996 and then as ZOHO Corporation later, it is now a major provider of cloud-based business solutions and a global software giant without venture capital competing with Microsoft, Google and Salesforce. Zoho has over 100 million users globally and employs thousands of employees outside conventional metropolitan cities. His "Made in India, Made for the world" philosophy reflects the vision of creating globally competitive products while remaining rooted in India.

In recognition of his services and contributions, he was awarded India's fourth highest civilian award, the Padma Shri, in 2021. ZOHO School of learning established in 2004, recruits and trains young people from modest backgrounds in coding and software development. The messaging app ARATTAI introduced by ZOHO is at the top of the popularity charts now. We welcome you sir, once again. Your journey is truly awe inspiring.

I extend a hearty welcome to our Chancellor Thiru. V.R. Venkataachalam and our Pro-Chancellor Thiru. R.V. Sengutuvan.

I am now delighted to share the highlights that outlines the progress of our university over the past one year.

This year, SRIHER has scaled new heights: In the NIRF 2025 rankings, the university secured 60th place overall, 21st in Medical, 13th in Dental, and 36th in Pharmacy nationwide. The College of Pharmacy has been reaccredited by the National Board of Accreditation, and the Faculty of Management has achieved NBA accreditation for its MBA program. The Institute of Cost Accountants of India, Ministry of Corporate Affairs, also conferred a three-year accreditation. The Dental College was ranked 3rd among private dental institutions in the India Today Survey; The Week 2025 placed SRIHER 11th among India's best universities and 1st among private medical universities. Outlook-ICARE 2025 rankings positioned us 2nd in Medical, 6th in Dental, 5th in Pharmacy, 48th in Engineering, and 5th in Physiotherapy nationally.

SRIHER signed 33 new MoUs with reputed universities, taking the total to more than 100 active collaborations. These include St. John Fisher University in Rochester, the University of Saskatchewan in Canada, the University of Cyberjaya in Malaysia, and the University of Nizwa in Oman, the Association of Chartered Certified Accountants; Xavier Labor Relations Institute (XLRI), Jamshedpur; the Council of Scientific and Industrial Research Central Drug Research Institute, New Delhi; and the Indian Institute of Tropical Meteorology, Pune, among others. Such partnerships enable faculty and student exchanges, dual degree programs, joint research and scholarship opportunities.

Sri Ramachandra Medical Centre received the AHPI 2025 Award for Excellence in Healthcare in the category 'Excellence in Quality (Beyond Accreditation)'. This campus was certified as an 'Eat Right Campus' with a five-star rating by the Food Safety and Standards Authority of India (FSSAI). This period has also marked the inauguration of two notable centers - Sri Ramachandra Innovation and Incubation Centre for Climate Change and Sustainability in November 2024, and the Comprehensive Cleft Care – Centre of Excellence in March 2025. These milestones testify our shared commitment to quality and excellence.

Academics

During the academic year 2024–25, more than 9542 students were enrolled across 15 constituent faculties, including 44 international, NRI students and PhD scholars. The University has successfully launched the Centre for Distance and Online Education "SRIHER DIGILEARN" and is UGC-approved to offer online programs, beginning with the B.Sc. Data Science (Hons) course for this year. In addition, other certificate courses like Pharmacovigilance and materiovigilance is also being offered in online platform.

Over 57 programs transitioned to the Choice-Based Credit System, giving students up to 20% electives. Every semester, about 1,300 students now enroll in SWAYAM-NPTEL courses, reflecting the emphasis on self-directed learning. We also integrated the Indian Knowledge System into select curricula.

At this convocation, 1871 graduates will be honored, including 21 PhDs, 766 postgraduates, and 1084 undergraduates, along with 78 gold medals.

Advancing Research, Innovations and Global Collaborations

Dr. Kalpana Balakrishnan, Dean (Research), continues to rank among the top 2% of world scientists in the field of general and internal medicine for the 5th year in a row according to the annual Stanford University report. Dr. Ramesh Babu Srinivasan, Paediatric Urologist is also recognized in Stanford University 2025 list of world top 2% scientists.

SRIHER has crossed a remarkable milestone with over 12,000 scientific publications, more than 1.025 million citations, and an H-index of 100. In 2024 alone, 1,113 papers were published in SCOPUS, PUBMED, and Web of Science journals, with impact factors ranging up to 168. Our research appeared in The Lancet, NEJM, Annals of Oncology, Journal of Clinical Oncology, and the European Heart Journal.

Considering intellectual property, we have registered 20 new patents, published 23, and awarded 4 patents and 60 copyrights. Currently, 68 extramurally funded projects are underway with a cumulative grant value of ₹58 crores, supported by agencies such as DST, ICMR, ICSSR, DHR, the Gates Foundation, Welcome Trust, NIHR-UK, and the US NIH. SRIHER's recognition as a WHO Collaborating Centre for the fifth consecutive term now extends its activities across all countries in the South-East Asia region, reaffirming our international leadership in health systems research.

Equally inspiring is our entrepreneurial spirit: the Sri Ramachandra Innovation and Incubation Centre now nurtures 37 ventures and 50 pre-incubatees, spanning MedTech, climate change, nutrition, and assistive technologies. Together, they have attracted over ₹5.7 crores in grants, affirming SRIHER as a cradle for innovation.

Over the past year, SRIHER has actively fostered academic growth through a diverse range of more than 600 conferences, workshops, seminars, webinars, the Indo–USA SPARC Workshop.

Our faculty and scholars have continued to demonstrate exemplary academic commitment, as seen during the National Science Week in February 2025, where over 117 student research papers and 170 research e-posters were presented across disciplines by undergraduate, postgraduate, doctoral researchers, and faculty members. All authors of Q1 publications and major grant recipients were formally recognized with certificates of appreciation.

Governance and Administration

SRIHER remains committed to strengthening its position as a premier institution for students, faculty, and researchers across medicine, health sciences, management, and engineering. During this period, ten University Development Committee meetings and ten University Advisory and Implementation Council sessions were held to continuously enhance and advance the University's goals. Furthermore, SRIHER has created and approved an SDG Implementation and Awareness Policy, ensuring alignment of institutional practices with global development goals. All campus activities - curricular, extracurricular, research, governance, and institutional practices are aligned with the Sustainable Development Goals (SDGs). The Times Higher Education (THE) Impact Rankings 2025 acknowledged SRIHER's commitment to sustainable development.

The Controller of Examinations office created 5,725 question papers and processed 74,265 theoretical scripts for 9,672 examinations. Additionally, 58 Ph.D. Public Viva-Voce examinations were conducted, including 27 full-time and 31 part-time candidates.

Sri Ramachandra Centre for Women's Advancement (SRCWA) continues to empower staff and students through seminars on self-care, financial literacy, work-life balance, personality development, menstrual hygiene, and digital skills, while also honoring women for their societal contributions.

Healthcare - Sri Ramachandra Medical Centre and Sri Ramachandra Hospital

Sri Ramachandra Medical Centre and Hospital remain committed to continual quality improvement and patient satisfaction. Rigorous audits and ongoing training are regularly conducted by dedicated committees overseeing key areas such as Hospital Infection Control, Pharmacotherapeutics, Medical Records, and Patient Safety. During this period, SRMC and SRH served 1,845,617 patients. Our medical and allied health professionals organized 1,475 free medical camps, benefiting 8,652 individuals. The hospital also actively commemorated World Breastfeeding Week, Patient Safety Awareness Week, and the International Day of Persons with Disabilities, underscoring its dedication to holistic patient care and community outreach.

Student Support, Engagement, and Achievements - Beyond Academics

What fills us with pride is not only academic achievements, but also the leadership and compassion of our students.

The university continues to implement personalized student counselling and mentorship programs aimed at strengthening mental health, emotional resilience with academic success. Through the International Students Support Cell, international students receive guidance on university orientation, visa processes, FRRO procedures, medical information, insurance, and accommodation, while also engaging with alumni to ease their transition and integration. Students have also benefited from international exchange programs, gaining valuable academic and cultural exposure.

The Student Council of SRIHER plays an active role in shaping campus life and governance, contributing meaningfully to several institutional committees. The Council, along with 17 vibrant student clubs, celebrates national festivals and organizes diverse cultural and extracurricular events in literature, music, drama, debate, photography, and social outreach through Rotaract.

Beyond the Campus: Service, Leadership, and Nation-Building

The Rotaract Club of SRIHER also achieved distinction during 2024-2025 through impactful service and community initiatives. It was conferred the prestigious South Asian Best Project Award for conducting the largest multidisciplinary health screening camp, the Best Project Presentation Award, the DRR Special Recognition Award, and the Best Club for Membership Development. Their 'Zero is Good' road safety campaign, conducted in collaboration with the Greater Chennai Police, stands as a symbol of engagement for socially beneficial causes. The National Cadet Corps (NCC) unit, comprising 21 cadets, participated in prestigious national-level camps such as the Republic Day Camp Selection, Combined Annual Training Camp, Inter-Group Competitions, Sea Training Camps, and the Special Sailing Expedition across various locations. Cadets earned accolades in competitions like CadoBhim and CadoGuru, and were recognized with titles such as Best Cadet (Army/Navy) and top positions in drill, firing, running, and Guard of Honor at the 1 TN Medical Unit. These experiences strengthened their discipline, teamwork, and patriotic spirit, while also bringing honor to the institution.

In parallel, 692 NSS student volunteers adopted 11 villages in the Poonamallee Block of Tiruvallur district, implementing 48 initiatives focused on health, environment, education, and social development. These included medical camps, awareness sessions, English and yoga classes, youth workshops and environmental drives. Volunteers planted 2869 saplings, conducted cleanliness campaigns that removed over 200 kg of waste, and trained over 2700 students through yoga programs. Medical outreach benefited 1513 rural residents, and Project VOICE supported English learning for 379 children. Cultural observances like Kargil Diwas and National Youth Day promoted civic values and leadership. NSS volunteers also raised ₹14.36 lakhs for developmental projects.

Student Placement

The Placement Cell at SRIHER has consistently facilitated robust domestic and international employment opportunities, with over 600 offers across 230 recruitment drives and global packages reaching ₹72 LPA in 2025. By combining strong corporate partnerships, targeted skill-building initiatives, and international collaborations, the Cell has established SRIHER as a trusted talent hub for industries worldwide. A major highlight this year has been international recruitment, with prominent recruiters including Ascend Rehab (USA), Global Doctors Hospital (Malaysia), Trusted Jobs (Germany), and Ashton Care (UK).

Sports Achievements

In sports, our students secured medals at national and state levels—from rowing and skating to swimming and carroms. The men's rowing team won a silver medal at the 7th National Indoor Rowing Championship, while one of our students secured first place at the State Championship for carroms. The women's skating team earned a bronze medal at the national championship, and the men's rowing team claimed a second silver medal.

At the Tamil Nadu State Open level, the women's swimming team won first place in both the 50 m and 200 m breaststroke events at the CM Trophy. Additionally, a team trophy in roller skates, bronze in carrom doubles, and 50 m breaststroke at the 79th Senior State Aquatic Championship are on the list of accolades.

Our university organized key events including the Altius 2024, Renaissance 2024, and the RPL 2024 cricket tournament, fostering sportsmanship and holistic development.

In addition to students' achievements, Early Intervention Centre, Vidya Sudha, served as the Nodal Centre for South Chennai District Special Olympics Bharat, selecting athletes to represent India at the 2027 International Special Olympics Games.

Alumni Association of SRIHER

Our alumni continue to be our ambassadors of excellence, engaging through 32 impactful events and extending their generosity to scholarships, travel grants, and social causes. Their bond with the institution strengthens our legacy.

In addition to academic and professional engagement, the Alumni Association supported Sai Baba Gurukulam Charitable Trust and the initiatives in Vyasarpadi slum.

Future Vision

Looking ahead, SRIHER remains committed to advancing healthcare education, innovation, and patient care. Our vision is anchored in ethics, technology, and compassion—to prepare leaders who will transform health and well-being globally.

Graduands, today marks not just the conclusion of your academic journey, but the beginning of a profound mission. Your knowledge will heal, your compassion will comfort, and your skills will shape the health of our communities.

Go forth with humility and excellence. Lead with courage and creativity. Above all, let your service to humanity be the beacon that guides your path.

On behalf of the entire SRIHER family, I extend my heartfelt congratulations to you, your families, and your mentors. May your journey ahead be marked with resilience, purpose, and compassion.

I now invite our respected Chancellor to declare open the 40th Convocation of Sri Ramachandra Institute of Higher Education and Research (Deemed University)

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) at Sri Ramachandra Institute of Higher Education and Research (SRIHER) has continued its transformative journey in advancing institutional quality through innovative initiatives, successful audits, and acclaimed external accreditations during the reporting period.

Organizational Excellence and Strategic Leadership

IQAC at SRIHER, guided by Prof. Dr. Uma Sekar (Chairman) and Prof. Dr. A. Ravi (Senior Coordinator), operates through an effective structure composed of a Steering Committee, Core Committee, and Faculty Quality Cell, enabling seamless quality integration at all institutional levels.

Major Accreditations and Rankings during this period

- **NBA Accreditation:** Notably, during this period, both the Faculty of Management and the Faculty of Pharmacy secured and reaccredited respectively by the **NBA accreditation**, demonstrating robust educational standards and outcome-based quality for their programs.
- **NIRF Rankings 2025:** SRIHER continued its momentum in the MHRD-NIRF national rankings, with notable placements—University Rank: **60**, Medical College: **21**, Dental College: **13**, Pharmacy College: **36**.
- **Participation in External Rankings:** IQAC supported active participation in reputed surveys including **Outlook**, **The Week**, and other national benchmarks, further strengthening SRIHER's profile and visibility in the higher education landscape.

Capacity Building and Institutional Events

Over the last year, IQAC organized a series of impactful events along with the Faculty Quality Cell:

- Workshops on **Benchmarking Best Practices**, Indian Knowledge System, micro-credentialing, Grant Proposal Writing, Strategic Publishing, and others, making it to 15 programs in this period.
- We, as partner with UNAI, conducted the global event on Water Conservation and Innovation Practices based on the evidence-based experiences of SRIHER.
- Academic programs supporting **SDGs**, micro-credentialing, international accreditation, and open access publishing.
- IQAC partnered with the Medical Education Unit of SRIHER and conducted a capacity development workshop on Mastery in Metrics, and we have also obtained a copyright for the workshop, which was well-received by participants across the country.

Impact and Future Focus

IQAC at SRIHER remains dedicated to its mission of promoting stakeholder engagement, capacity building, and best practices, including accreditation.

SUSTAINABLE DEVELOPMENT GOALS (SDG's)

Sri Ramachandra Institute of Higher Education and Research (SRIHER) has made significant progress in advancing the United Nations Sustainable Development Goals (SDGs) during the academic year from July 2024 to June 2025.

To institutionalize sustainability efforts, SRIHER established an SDG Implementation Committee with senior faculty representatives from 15 constituent colleges. This diverse committee coordinates SDG-related activities, facilitates communication, and ensures effective documentation and reporting in alignment with quality assurance standards.

In a landmark development, SRIHER created and approved an SDG Implementation and Awareness Policy. The policy aims to educate all stakeholders about the 17 SDGs, integrate SDG principles into curricula, extracurricular activities, research, governance, and institutional practices. It promotes workshops, sustainability drives, research funding, and green campus initiatives, with clear roles defined for faculty, students, administrative staff, and management. Furthermore, the policy enforces annual evaluation and reporting mechanisms to measure impact and guide continual improvements.

To increase the institute's visibility and strengthen its SDG commitment on social media, university-specific hashtags such as #SDG4SRIHER and #SRIHER4SDG were created. These hashtags help amplify institutional achievements and engage the broader community in sustainability discourse.

In May 2025, SRIHER hosted a virtual side event titled "Water Conservation and Innovation Practices" at the United Nations Science, Technology, and Innovation (STI) Forum. Organized by the SDG Committee in collaboration with the IQAC, this event showcased the university's innovative approaches to sustainable resource management and global partnership engagements.

A dedicated email channel was also established to streamline SDG-related coordination, documentation, and collaboration with external research bodies and accreditation agencies. Collectively, these initiatives highlight SRIHER's comprehensive and institution-wide commitment to embedding sustainability in education, research, and community engagement, contributing actively toward a sustainable future.

INFORMATION TECHNOLOGY & COMMUNICATION

Introduction

This report highlights our progress in digital infrastructure, automation, and new applications to boost operational efficiency, user experience, and academic administration. Our collaboration has strengthened healthcare services, student management, and staff productivity, reflecting the institution's commitment to innovative, data-driven, and secure digital solutions.

Key Achievements and Project Highlights

1. **Hospital Information Systems (HIS) & Clinical Applications**

- Discharge Medication: Streamlined discharge workflows to improve accuracy and reduce patient wait times.
- Digital Cross-Referral: Implemented a cross-referral system to enable seamless department-to-department referrals and continuity of care.
- Dynamic Audit Tool (Quality) SRH: Deployed real-time quality audits to support continuous improvement.
- E-Log Book: Launched an electronic logbook for recording and tracking clinical procedures, enhancing data accessibility.
- Credentialing & Privileging: Automated credentialing and privileging processes to reduce administrative burden and ensure regulatory compliance.

2. **Administrative & Financial Systems**

- Telephone Directory: Rolled out a centralized, up-to-date digital staff directory.
- Ticket Management: Implemented a robust IT service management system to speed resolutions and improve user satisfaction.
- EL Encashment Online Submission: Introduced an online portal for Earned Leave encashment submissions.
- Festival Advance Online Request: Implemented a paperless online workflow for festival advances.
- Accounts Operations Enhancement: Automated processes and data-integrity improvements within the Accounts department.

3. **Student & Academic Management Systems**

- Student Counselling Slot Online Booking: Launched a privacy-conscious online counseling booking system.
- IA Module & Question Bank: Developed an Internal Assessment module and centralized question bank to streamline assessments.
- VIDYA SUDHA: Rolled out a comprehensive academic platform to support learning and administration.
- E-API: Implemented an electronic Academic Performance Indicator system for faculty.
- CRMI: Introduced a modern Student Relationship Management tool to enhance engagement.

- Hostel Dashboard: Created a year-wise, gender-based occupancy dashboard for hostel management.
- Timetable with QR Code Enhancement: Upgraded timetabling with QR code access for quick schedule retrieval.
- STIPEND Setup Online: Implemented online stipend step-up submissions for students.
- Academic Calendar Enhancement: Made the calendar more dynamic, accessible, and portal-integrated.
- Dental 360 Feedback & Dental Portfolio: Implemented 360-degree feedback for the Dental Department and a digital portfolio for dental students.

Communication Team Achievements

- Managed 4 social media platforms (2,53,000 + followers)
- Established official WhatsApp channels for real-time updates.
- Organized 30+ live streaming events
- Created 12,500+ creative materials
- Produced and edited 2,400+ videos
- Organized 50+ live webinars with automated E-certificates, enhancing inclusion and professional development.

Conclusion

We will continue innovating with greater automation, stronger data security, and more integrated systems to deliver a seamless digital experience for students, faculty, and staff. Our ongoing collaboration across IT and Communications will align technology solutions with the institution’s strategic goals and Convocation needs.

UNIVERSITY EXAMINATION AND RELATED ACTIVITIES

All the University Examinations for the 15 faculties of SRIHER are being conducted as per the regulations of respective programs, advisory/guidelines of respective councils, and under the guidance of the Examination Standing Committee.

Between July 2024 and June 2025, the office of COE has generated about 5725 question papers and processed 74, 265 theory scripts. The total number of examinations conducted is 9672.

The overall pass percentage is 90.93% in the university examinations conducted for the academic year 2024-2025.

The total number of Ph. D. Public Viva-Voce examinations conducted in the aforementioned period is 58 of which 27 are full-time candidates and 31 are part-time candidates.

All mark sheets and degree certificates of students who have passed examinations in 2024 have been uploaded in the National Academic Depository (NAD), while the same is being done for students who have passed examinations in 2025.

The 7th Examination Standing Committee met on June 20th, 2025, to deliberate on processes and procedures.

DEPARTMENT OF HEALTH PROFESSIONS EDUCATION

The Department for Health Professions Education has been renamed as the **Centre for Professional Development** (CPD) based on the approval from the University Development Committee and UAIC meetings held on 21st October & 28th October 2024, respectively.

The Dean of Education is the Officer in-Charge of the CPD and oversees the curriculum initiatives and Faculty Development through the 5 education units- Department of Medical Education, Dental Education Unit, Pharmacy Education Unit, Nursing Education Unit, Education Unit for Health Science Colleges – Unit I and Unit II. Each of them has its own administrative structure with a Curriculum and Faculty development wing.

University Curriculum Committee

The University Curriculum Committee oversees all the statutory and non-statutory programs and value-added courses offered by SRIHER. It ensures that the proposed curriculum and all curricular changes contribute to the integrity of SRIHER's academic are permitted, and reviews and recommends the curriculum to the Board of Studies. The following programs were approved in the academic year.

CHOICE BASED CREDIT SYSTEM (CBCS)

The Choice Based Credit system was implemented in Sri Ramachandra Institute of Higher Education and Research (SRIHER, DU) in the academic year 2015-16 as part of ongoing reformations in higher education introduced by the University Grants Commission of India (UGC, GoI). The major objective was to enhance academic standards and quality in higher education through innovation and improvement in the curriculum, teaching-learning process, and examination evaluation systems. One of the reforms in evaluation was to provide a standardized GRADING system, which solves the difficulty for the academia and the employers to understand and infer the relative performance of the students graduating from different universities and colleges in the country. This will facilitate student mobility across institutions within and across countries and enable potential employers to assess the performance of students. To bring in the desired uniformity, in grading system and method for computing the cumulative grade point average (CGPA) based on the performance of students in the examinations, SRIHER (DU) adopted the UGC formulated guidelines.

CBCS model provided the opportunity for interdisciplinary learning for the UG, PG and Integrated level of health science programs (not under statutory regulations) offered from the Faculties of Physiotherapy, Allied Health Sciences, Management Sciences, Sports and Exercise Sciences, Clinical Research, Biomedical Science and Technology, Public Health, Behavioral and Social Sciences.

In 2025, over 57 UG, PG and Integrated programs came under the CBCS model of Curriculum. All the programs under these regulations have a maximum of 20% elective courses. The elective courses offered by the departments at this DU numbering over 56 (36 GE; 9 AE, 11 SE) were restructured to provide for outcome based, blended and online mode of teaching, learning experience for the students.

The NEP 2020 course framework, inclusive of value-added courses, adopted for programs such as the Bachelor of Business Administration (BBA) and Bachelor of Commerce (B.Com). Four-year programs with Honors and research component introduced. An exit option has been opted at the end of the third year for programs such as B.Com and BSc in Medical Biotechnology.

Self- Learning Courses- MOOCs Certification and transfer of credits: [with respect to-UGC (Credit Framework for Online Learning Courses through SWAYAM) Regulation, 2016. New Delhi, 19 July 2016. Vide No. F.1-100/2016(MOOCs/e-content)]: In the academic year, 2019 the policy on transfer of credits for electives approved by our Academic Council. This enabled our students to widen their choice of electives including those offered by SWAYAM-NPTEL through a local chapter for coordinating the students' registration.
Achievements of SRIHER participating in Online Learning Courses through SWAYAM: SRIHER received Best New LC award (2019- 2020) from NPTEL and consistently, maintains top hundred LC for the past 5 years in NPTEL category. Currently, around 1300 students /semester opt for the SWAYAM-NPTEL courses towards earning their degrees.

CENTRAL LIBRARY

Sri Ramachandra Institute of Higher Education and Research has automated its central library with Integrated Library Management Software (ILMS) developed by in-house software team. The library receives updates immediately. Library users have access to electronic resources content across campus through “Remotlog” facility software through the library online portal. By using this software tool, one can record the holdings, manage the resources, track and extract reports. Central library insists users to register their physical presence in and out of the library through a biometric reader to track usage. To extract the usage report of the subscribed content, users are also advised to utilize the online resources using their log in credentials. The digital library section is equipped with dedicated systems for subscriptions to online resources. Moreover, the library premises are enabled with WIFI connectivity; therefore, users can access digital content on their devices. Clinicians can access evidence-based databases through mobile apps. In the central library, RFID technology has been implemented where materials have been tagged with tags so that materials can be checked in and out at a single stroke as well as preventing theft of books through the detection RFID gate which minimizes loss of materials to a greater extent.

RESEARCH

RESEARCH AT SRIHER

Research at SRIHER continues to evolve, gaining considerable depth and impact in established thematic areas of excellence such as environmental health, genetics and radiation biology, cancer biology, medical virology and pathology, oral health, rehabilitation sciences, pharmaceutical sciences, biomedical sciences and stem cell and regenerative medicine. Newer thematic areas such as bio-materials, health care technologies, artificial intelligence and data science applications in health care, health care management, educational research, social science interfaces with health care are rapidly gaining momentum. Several centers of excellence created through extra-mural support from Government of India including the ICMR Center for Advanced Research on Air Quality, Climate and Health, The DBT- Welcome India Alliance funded Center on Speech & Hearing Disorders in Children (SRESHT) and international centers such as the NIHR-UK funded Global Center on NCDs and Environmental Change in India and The National Institutes of Health (USA) funded Center focused on Early Childhood Caries (CECCre) are anchoring multiple field, hospital laboratory and hospital based research teams to examine priority health concerns in longitudinal cohorts. SRIHER also continues to serve as a World Health Organization Collaborating Center for Research and Training in Occupational and Environmental Health since 2007, and **SRIHER has been recognized for a fifth consecutive term as a WHO-CC**, with activities now, covering all countries in the South East Asian Region.

The SRIHER family of researchers which now spans across all of the 15 faculties, are currently engaged in 68 projects with extra-mural grant support to the tune of 58 crores. As in the past SRIHER continues to receive funding from premier Governmental funding agencies including the Department of Biotechnology, Department of Science and Technology, The Science and Engineering Research Board, The Indian Council for Medical Research, The Indian Council for Social Science Research and The Department of Health Research, and international funding agencies including The US National Institutes of Health, the Bill Melinda Gates Foundation, The National Institute for Health Research (NIHR) UK and the Welcome Trust. Dr. P. Venkatachalam and Dr Lakshmi Revathi Perumalsamy from SRFBMS&T, Dr. Nagendra Boopathy, Dr. Anupma Jyoti Kindo and Dr.Suvarna Jyothi Kantipudi from SRMC & RI and Mr. Nandakumar Venkatesan from SRET have newly received collaborative, multi-institutional, large volume grants in the current year. Dr. Muthu Murugan from SRDC and Dr. Naveen Pattusamy, EHE continue to receive the support for Phase-2 from NIH after successful completion of phase-1 work.

This year, **SRIHER achieved an important cumulative milestone of crossing 12,000 publications and receiving over one lakh twenty-five thousand citations with an H-Index of 100**. Dr. Kalpana Balakrishnan, Dean (Research) continues to rank among the top 2% of world scientists in the field of general and internal medicine for the 5th year in a row according to the annual Stanford University report. Dr.Ramesh Babu Srinivasan, Paediatric Urologist is also recognized in Stanford University 2025 list of world top 2% scientist.

A total of 1113 publications were made during the period 2024 in the SCOPUS/ PUBMED/ WoS indexed journal with **impact factors ranging from 8 to 168**; Some of the highest impact factor journals that featured publications by SRIHER faculty include Lancet, the New England

Journal of Medicine, Annals of Oncology, Journal of Clinical Oncology, European Heart Journal, The Lancet Infectious Diseases, Circulation, Journal of the American College of Cardiology, Blood, The Lancet Global Health, American Journal of Respiratory and Critical Care Medicine etc., In addition with the scientific publications, 20 new patents were filed, 23 patents were published and 4 patents together with 60 copyrights were awarded in the year 2024.

In order to nurture research aptitude and skills among the students and early career researchers, the Chancellor has instituted fellowships for undergraduates and doctoral students as well as early career faculty. Around 101 undergraduate students, 50 PhD students and 29 faculty members are awarded support under this scheme every year. In February 2025, SRIHER celebrated the 2025 National Science week with over 117 students to showcase their research publications, 170 research e-poster presentations by undergraduate, post-graduate, PhD and early and senior researchers and aspiring entrepreneurs. Certificates of appreciation were provided all authors of Q1 publications and high volume grant awardees. Dr. T. S. Rao from the Former Senior Advisor (Additional Secretary Rank), Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India presided over the Science Day Celebrations. Thematic lectures on various aspects of research, Journal matrices and selection for publications as well as Budgeting for national and international grant-in-aid's were organized to upscale the Research outcome.

The SRIHER Innovation and Incubation Center (SRIIC) set up with funding support from the BIRAC- DBT, Govt. of India is now a Section 8 company. Currently, a total of 37 companies in the incubator which includes (i) 4 faculty-led and (ii) 23 external incubates, (iii) 8 faculties and (iv) 2 student-led entrepreneurs are in the on-boarding stage. Additionally, there are 50 pre-incubatees, all of whom are students with potential for entrepreneurship. The incubated startups span diverse focus areas such as MedTech, Sports science, assistive technology, climate change and sustainability, Edutech, and food and nutrition.

Extensive sensitization exercises have been conducted with the support of members of the Institutional Innovation Council of constituent faculties and Innovation Ambassadors (flag bearers of innovation culture) of the University. Dissemination of our University's revised IPR, Entrepreneurship and Innovation Policy for Faculty and Students in line with the National Innovation and Start-up Policy was also undertaken to boost the ecosystem. Particularly, incubatee reviews, mentorship and support has been provided to help incubatees succeed in their efforts. Over the past three years, incubatees and pre-incubatees have collectively received grants amounting to ₹5.77 crores, with 5 lakhs funding from Startup TN grant in 2024–25.

There are currently 5 functional MoUs between SRIHER and foreign/Indian institutions/ Universities/Industries for academic & research collaborations, with provision for students and faculty exchanges and for conducting teaching & research programs. MOUs include research arrangements with Foundation for Innovation and Social Entrepreneurship (FISE), Hull University Teaching Hospital NHS Trust, Colorado State University, Indian Institute of Madras and Vellore Institute of Technology.

HEALTHCARE

HEALTHCARE

Sri Ramachandra Institute of Higher Education and Research (SRIHER), a *centre of par excellence* with a steadfast emphasis on quality medical education, advanced research, and compassionate healthcare, continues to be ranked among the top deemed-to-be universities in India.

Nestled within a lush, refreshingly green campus, SRIHER provides an inspiring environment that fosters learning, innovation, and holistic development. The institute embodies a vision of excellence that integrates education, research, and service to humanity, creating a benchmark for medical and health sciences education in the country.

World- Class Healthcare Facilities

SRIHER operates through two state-of-the-art healthcare facilities — **Sri Ramachandra Medical Centre (Unit I)** and **Sri Ramachandra Hospital (Unit II)** — both designed to meet the dynamic healthcare needs of urban and rural populations. The hospitals continuously upgrade their super-speciality services in tune with emerging medical advancements, offering cutting-edge ambulatory and in-patient care across a wide spectrum of disciplines.

A fully air-conditioned Central Laboratory, located in the Shri Ramasamy Udayar Block, occupies a built-up area of 9,000 sq. ft. and performs approximately 17,000 diagnostic tests per day. Most diagnostic equipment are seamlessly interfaced with the Laboratory Information System (LIS) and integrated into the Hospital Information System (HIS), ensuring instant accessibility of validated reports in wards and patient-care areas upon authorization.

Unit I has a bed strength of 800, including 7 Intensive Care Units with a combined capacity of 156 beds. The Blood Bank, spread over 10,000 sq. ft., is among the largest in Asia, providing *state-of-the-art blood and component transfusion services* that support complex medical and surgical care.

Excellence in Radiology and Imaging Sciences

SRIHER's Department of Radiology achieved a historic milestone by being recognized under the European Training Assessment Programme (ETAP 2.0) and awarded the Silver Certificate of Excellence in Radiology Education — becoming the first in Asia to receive this distinguished honour.

The Centre of Excellence in Radiology and Imaging Science (CERIS) houses world-class technology and expertise in Musculoskeletal Imaging, Women's Imaging, Neuroradiology, Chest Imaging, and Abdominal Imaging. The centre offers advanced radio-diagnostic procedures and image-guided interventions using state-of-the-art equipment including:

- Color Doppler Units
- 128-Slice CT Scanner (GE Revolution EVO)
- 3T MRI (128-channel GE Architect)
- Advanced PET-CT Scanner
- X-Ray Units (CR and DR Systems)

Operational workflows are fully digitized through a robust Picture Archiving and Communication System (PACS), enabling hospital-wide digital storage, retrieval, distribution, and presentation of medical images — thereby enhancing diagnostic efficiency and patient outcomes.

Sri Ramachandra Hospital (Unit II): A Centre for Learning and Healing

Sri Ramachandra Hospital, Unit II, is a tertiary care teaching and training centre dedicated to education, research, and patient care excellence. It provides a vibrant clinical learning environment for over 6,000 students from diverse disciplines including medicine, nursing, physiotherapy, occupational therapy, clinical nutrition, speech and hearing, optometry, hospital and healthcare management, and allied health sciences.

The hospital offers comprehensive broad and super-speciality services, supported by well-integrated diagnostic, therapeutic, and patient-comfort services. In alignment with its vision, the hospital strives with earnest efforts to fulfil the needs of the community by achieving excellence in patient experience and clinical outcomes.

Recently, Unit II enhanced its paediatric and neonatal critical care capacity — increasing the NICU plus KMC bed strength from 40 to 45 and the Paediatric ICU capacity from 10 to 16 beds, reinforcing its commitment to child health and advanced neonatal care.

DEPARTMENT OF RADIOLOGY

1. The Department has acquired **advanced x-ray system**. These systems are able to fuse multiple images. Hence it is possible to acquire the image of the whole limb in one film. Some of them are AI enabled and help in detecting lesions

2. New **ultrasound machines with artificial intelligence features** have replaced some of the old machines. Hence labelling / tracing of structures have become easier and more efficient. Electrography feature in these machines helps in fat quantification and better prediction of malignancy. Doing contrast ultrasound is simpler because of these machines.

3. The mammogram machine got upgraded so that contrast studies could be performed. **Vacuum assisted biopsy/excision (VABB/VAE) equipment** has been added to the armamentarium. VAE is a minimally invasive procedure used to remove breast lesions, particularly benign ones, using a vacuum-powered device under imaging guidance. VAE is less invasive than traditional surgical excision, typically involving a small incision.

4. The previously acquired **3 Tesla MRI is being upgraded** with the recent hardware and software especially with artificial intelligence features. By this, the machine is more technologist friendly, the scanning times is reduced and better resolution achieved.

5. The department has recently installed a 1.5 Tesla MRI scanner in addition to the existing 3T MRI Scanner. It is enabled with AI features that makes imaging faster, simpler with sharper. Advanced software like motion correction techniques, metal artifact reduction technique, updated cardiac and neuro analysis are some of the key features.

DEPARTMENT OF NUCLEAR MEDICINE

The Department of Nuclear Medicine has implemented the **"GALLIUM GENERATOR PSMA DOTA SCAN"** from MARCH 2025. The first case was done on 25th March 2025 in F0-PET CT Department. So far, scan done for 23 patients.

ALUMNI ASSOCIATION

The Alumni Association of Sri Ramachandra Institute of Higher Education and Research emerged stronger in 2018 as a structured and unified body and has been registered as the “ALUMNI ASSOCIATION OF SRI RAMACHANDRA INSTITUTE OF HIGHER EDUCATION AND RESEARCH” under the Tamil Nadu, Society Registration act 1975, on 13th November 2018. Now, all the individual faculty alumni chapters are merged and work together through the Central Alumni Association. There are currently 26,313 alumni registered through a specialized alumni management system “Alum Book” of which 900 are on campus as faculty/post graduate students. Around 639 graduates have embarked on further studies at esteemed institutions worldwide.

The alumni chapters have actively conducted guest lectures and workshops, fostering engagement within their network. The Alumni Association demonstrates its commitment to social responsibility through various initiatives, such as donating ₹10,000 to the Sai Baba Gurukulam Charitable Trust during Diwali celebrations and donating 150 blankets to Vysarpadi slum during the rainy season.

The Alumni Association has also extended financial support to students through scholarships for postgraduate and Ph.D. courses, as well as research fund scholarships. Additionally, the Alumni Chapter contributed Rs.1, 65,200/- towards the inauguration of a new LED signboard, reflecting their ongoing commitment to enhancing the institute's infrastructure and also sponsored Rs 2,00,000 for the Accreditation Ranking and Quality Conference.

Through these collective efforts, the Alumni Association of SRIHER continues to strengthen its ties with the community, demonstrating a powerful legacy of service, support and excellence.

The Alumni of the university also conducted guest lectures, career guidance programs, webinars, CME, CRE and workshops in their various constituent faculties for the benefits of students.

INTERNATIONAL RELATIONS

Sri Ramachandra Institute of Higher Education and Research (SRIHER) actively embraces and supports internationalization efforts in education offering a range of services and resources. The recent initiatives taken are in adherence with the guidelines issued by the UGC regarding internationalization in HEI.
(https://www.education.gov.in/sites/upload_files/mhrd/files/upload_document/int_he.pdf).
The International Relations Office is the nodal point of contact for international initiatives at SRIHER and coordinates:

- Admissions for international students (foreign nationals and NRIs).Including guidance throughout the chosen program of study, specialized student counselling services, referrals to relevant contacts, and advice regarding enrolment and confirmation of admission.
- Pre-arrival support: support with information on accommodation, insurance, fees, visas, and what to expect.
- International student orientation to the campus and hostels.
- Compliance with statutory requirements for international students
- Facilitates international collaborations including MOUs for academics and research, twinning and joint programs
- Mobility (inbound and outbound) programs.
- Student and faculty exchange programs

1) **International student enrollment 2024-25** SRIHER endeavors to provide a welcoming and supportive environment for its international students and faculty, with resources and systems in place to assist with both academic and personal needs, as well as ensure compliance with official regulations.
   The university welcomed **44** (Ph.D. - 4 PG-10, UG-30) International students (Foreign nationals, OCI cardholders and NRIs) to the campus. These included 16 foreign nationals (14 females and 2-males). 29 students were admitted under NRI category (attached)

2) **International Collaborations:** An important component of internalization has been building
   Relationships and networking with other universities in the spirit of collaboration. In 2024-25, over 30 MoUs were active and new MOUs were signed with 5 universities listed below.

Mobility (inbound):
Inbound Mobility programs allow students from international institutions complete a short program at SRIHER. These could range from a few days to full semester or year. These could be initiated either through an existing MOU or applied for independently. Given below is a list of students who completed inbound mobility programs.

STUDENT COUNCIL ACTIVITIES

The Student Council of SRIHER for the academic year 2024–2025 embarked on its journey with the Investiture Ceremony held on July 10, 2024. The ceremony marked the formal induction of the newly elected members and was graced by eminent dignitaries. Ms. Charis Vasanthini, the outgoing President, presented the achievements of the previous council. Dr. Uma Sekar, Vice Chancellor, conferred the badge of office on Ms. Sadhana Amarnath, the new President. The council comprised 46 vibrant students representing the 15 faculties of SRIHER. The Student Club Handbook and the 2023–2024 Council-Club Activity Report were also released on the occasion, marking a promising start.

Continuing its vibrant streak, the council celebrated Teacher's Day on September 5, 2025. The event, held at the side auditorium, saw enthusiastic participation from faculty members across departments. The celebration featured student-led dance performances and soulful musical renditions by the Music Club. Laughter, joy, and mutual appreciation filled the venue, making the event both entertaining and heartfelt.

The Grand Club Meeting on September 18, 2024, served as a hub of interaction and collaboration among student clubs. Nearly 250 participants attended, and certificates were awarded to the 2023–2024 Club Board Members for their dedication. Ms. Sadhana welcomed the dignitaries and encouraged student involvement, while Ms. Sudharshini provided an insightful overview of the incoming council's responsibilities. The release of a poetry book by the English Literary Club marked a cultural highlight.

The festive spirit of Indian heritage was showcased in Yuva Utsav, conducted on November 22, 2024. This multifaceted cultural event involved several clubs. Highlights included an

elocution contest by the English Literary Club, a poetry competition by the Agal Tamil Club, and a science symposium hosted by the Medical Quiz Club. Traditional and folk dances, performed by the Dance Club, further celebrated India's rich artistic and cultural traditions.

On November 26, 2024, the council led the Constitutional Day celebration, emphasizing the importance of India's democratic values. The MedHope Club hosted a touching flag-coloring event for young cancer warriors, while the Photography Club and Rotaract Club presented a visual and spoken tribute to the Constitution. The day also included a Grand Constitution Quiz conducted by the Quiz Club, alongside speeches and performances that reinforced civic awareness.

Mistelia '24, the grand Christmas carnival, was held on December 9, 2024, and saw an unprecedented turnout of over 4000 participants. Known for its festive vibe, Mistelia featured student-led food stalls and a first-ever student-run official food counter, promoting entrepreneurship. An art therapy workshop added a unique touch, combining wellness with creativity and innovation.

The year culminated with Sangham 2K25, a vibrant celebration of the Indian New Year held on April 10th. Featuring 16 lively stalls and 12 entrepreneurial student ventures, the event blended games, tradition, and innovation. A rangoli competition and energetic dance floor session added festive color and joy, leaving a memorable impression on the campus.

In addition to leading activities on the campus along with the student clubs, the student council of 2024-2025 also actively coordinated several activities of the student community outside campus. For example, the student council led the student community of SRIHER actively in several marathons in Chennai city, including the Chennai Runs Marathon, Rise Youth 5K Marathon, Women's Day Marathon, and Anti-Drug Marathon to raise awareness about various social causes, including showcasing its commitment to health and social responsibility. The Student Council also volunteered at multiple events on campus, including the Founders Day celebrations, the convocation, and the graduation days.

From tradition to innovation, the Student Council of 2024–2025 consistently fostered leadership, creativity, and collaboration, setting a high benchmark for student engagement and campus life at SRIHER.

NATIONAL SERVICE SCHEME

Between June 2024 and May 2025, the NSS units carried out 48 activities focused on environment, healthcare, education, cleanliness, cultural events, and social outreach. These programs strengthened student participation while making a meaningful impact on surrounding communities.

Under environmental initiatives, 2869 saplings were planted through 11 drives, creating awareness on sustainability. Nine yoga programs trained 2728 students in healthy living, while seven cleanliness drives in villages, eco-parks, and beaches removed nearly 200 kilograms of waste, supporting the Swachh Bharat mission.

In healthcare, 10 medical camps, including multi-specialty and flood relief efforts, benefited 1513 rural and slum residents. Project VOICE reached 379 children, improving English communication and confidence. Cultural and awareness programs such as Kargil Diwas, National Youth Day, and District Yuva Utsav inspired thousands of students with values of patriotism, social service, and leadership.

The NSS units also raised Rs. 14,36,500 for developmental projects. Major contributions included Rs. 3,00,000 from NEXTFEN Project Management Systems Pvt. Ltd. for building 30 toilets in adopted villages and Rs. 10,27,000 from Data Patterns India Ltd. for establishing a Children's Park at Ayilchery. Additional support funded spectacles, medical services, school infrastructure, and welfare activities.

Through these initiatives, NSS promoted sanitation, health, environmental conservation, and youth empowerment, leaving a positive mark on both students and communities. The year's activities reflected the NSS motto of "Not Me, But You", fostering volunteerism and social responsibility.

ICMR's network of pulmonary fibrosis (INPF)	National	Dr. Irfan Ismail Ayub-PI	Faculty of Medicine	ICMR	2021-2026	4530700
Novel epithelial-mesenchymal transition marker profile across molecular subtype of breast carcinoma with focus on metastatic disease	National	Dr. Sandhya Sundaram-PI	Faculty of Medicine	SERB	2021-2024	2925824

Effects of Maternal Probiotic supplementation on glycaemic control and pregnancy outcomes	National	Dr. S. J. Nalini-PI Dr. R. Kavitha-Co. PI Dr. Usha Viswanath-Co. PI Dr. Anupama Jyoti Kindo-Co. PI Dr. Hema Malaini-Co. PI	Faculty of Nursing Faculty of Medicine Faculty of Allied Health Sciences	ICMR	2021-2024	1162461
Prediction of Radiotherapy outcomes in Head and neck squamous cell carcinoma using novel markers	National	Dr. Sandhya Sundaram-PI	Faculty of Medicine	BRNS	2021-2024	3248968
Digoxin in patients with rheumatic hear disease - a randomised placebo controlled trial	National	Dr. Nagendra Boopathy-PI	Faculty of Medicine	ICMR	2022-2025	293962
Development of Elastin based protein nanogels targeted delivery system of combo drugs Enzalutamide/Decursin for Castration Resistance Prostate Cancer (CRPC)Therapy	National	Dr. Vinoth Lakshmanan-PI Dr. Natarajan K-Co. PI Dr. Satish Srinivas Kondaveeti-Co. PI	Faculty of Clinical Research Faculty of Medicine	DST-SERB	2022-2025	4725600
Imbalance of and anti-inflammatory bioactive lipids, reverse cholesterol transport (HDL function) in the progression of pre diabetes to type 2 diabetes mellitus	National	Dr. K. Kaviarasan-PI Dr. Shriraam Mahadevan-Co. PI	Faculty of Biomedical Sciences & Research Faculty of Medicine	ICMR	2022-2025	3312339
Development of novel nano-silymarin gel for therapeutic efficacy in Oral Submucous Fibrosis	National	Dr.C.V.Divyambika-PI Dr. Satish Srinivas-Co. PI	Faculty of Dental Sciences Faculty of Medicine	ICMR	2023-2026	3341130
A system-based framework integrating metagenomics-metabolomics data to unravel microbial interactions in urinary tract infections	National	Dr. Emmanuel Bhaskar-PI Dr. R. Mahesh-Co. PI	Faculty of Medicine Faculty of Biomedical Sciences	ICMR	2022-2025	1464510

Effectiveness of yoga based cardiac Rehabilitation (Yoga-Care) programme in heart in heart failure: A randomized controlled clinical trial	National	Dr. Nagendra Boopathy-PI	Faculty of Medicine	ICMR	2023-2026	1017022
Identification of novel therapeutic substrates unique to triple negative breast cancer using kinase interacting substrate strategy	National	Dr. Ganesh Venkatraman-PI Dr. S Gouthaman-Co. PI	Faculty of Biomedical Sciences & Research Faculty of Medicine	ICMR	2023-2026	3145793
A Tiered Biodosimetry Approach for the Management of Large Scale Radiological and Nuclear Emergencies	National	Dr. P. Venkatachalam PI Prof. Venkata Sai PM-Co. PI Prof. Satish Srinivas K-Co. PI Dr. Teena Koshy-Co.PI	Faculty of Biomedical Sciences & Research Faculty of Medicine	SPARC	2023-2025	6441073
Characterisation of Wnt signaling pathway as a potential therapeutic target for Ligamentum flavum hypertrophy in Lumbar canal stenosis	National	Dr.G.Sudhir-PI Dr.P.Lakshmi Revathi-Co. PI Prof.Sandhya Sundaram-I Prof.Arun Dharmarajan-I	Faculty of Medicine Faculty of Biomedical Sciences	SERB	2023-2026	6245613
Role of urinary biomarkers in the diagnosis and prognosis of children with ureteropelvic junction obstruction	National	Prof. Ramesh Babu-PI G. Sangeetha-Co. PI	Faculty of Medicine	ICMR	2023-2026	1472480
Innnovative mHealth Intervention providing Sustained Anticipatory Guidance (Zero Cavity): Design, Validation, User Perception and Effectiveness	International	Dr. M.S. Muthu-PI Dr.Ankita M Saikia-Co. I Dr.Latha Nirmal-Co.I Dr.Umapathy-Co. I Dr.Kalpana Balakrishnan-Co. I Dr.John Davis	Faculty of Dental Sciences Faculty of Medicine Faculty of Public Health Chaitanya Eye Hospital and Research Institute	NIH	2023-2028	69965188

		Akkara-External Dr.Vijay Mathur-External	All India Institute of Medical Sciences, New Delhi			
Effect of SGLT2 inhibitors on mRNA expression in patients with heart failure with reduced ejection fraction (HFrEF)	National	Dr.S.Nagendra Boopathy-PI Dr.S.Ramesh-Co. PI DR.Sadanatham-Co. PI Dr.Vettriselvi V-Co. PI	Faculty of Medicine	ICMR	2024-2027	4165686
A Personalized Visual Guidance system for Musculoskeletal therapeutic Interventions	National	Dr. G. Sudhir-Co. PI	Faculty of Medicine	SERB-CRG	2023-2026	507408
EPHA1-mediated regulation of cancer stem cells in high-grade serous carcinoma of the ovary and its therapeutic potential	National	Dr. T. S. Ganesan-PI Dr. Arun Kumar-Co. PI	Faculty of Medicine	DST-SURE	2023-2026	2398000
Precision Carrs - Population-based cohort of south asians to address existing and emerging questions related to cardio-metabolic disease	International	Dr. Nagendra Boopathy-PI Dr. S. Ramesh-Co. PI Dr. R. Jebaraj-Co. PI Dr. S. Sadhanandham-Co. PI Dr Prabhakaran Dorairaj-External	Faculty of Medicine	NIH Centre for Chronic Disease Control	2022-2026	15400000
Role of tumor derived heme in cancer progression	National	Dr. Rajesh Kumar Gandhirajan-PI Dr. Sandhya Sundaram-Co PI Dr. Ganesh Venkatraman-Co PI External	Faculty of Biomedical Sciences Faculty of Medicine	DBT	2024-2027	4381198
Effect of Traditionally Fermented Finger Millet Beverage on Bone Metabolism: A	National	Dr. Adlyne Reena Asirvatham-PI	Faculty of Medicine Faculty of Allied	ESI	2024-2026	500000

Study in Ovariectomy - Induced Osteoporotic Rat Model		Dr.G.Gayathri-Co. PI	Health Sciences			
Establishing Technical Resource Centre, Centre for Evidence for Guidelines	National	Dr. Ramesh C-PI Dr. Nagendra Boopathy - Co. PI Dr Pankaj B Shah - Co. I	Faculty of Nursing Faculty of Medicine	ICMR	2024-2025	6000000
We C.A.R.E: Training for nonverbally Communicating Attentiveness, Respect and Empathy	National	Dr Latha Ravichandran-PI	Faculty of Medicine	SPARC	2024-2026	7404000
Investigating genetic and epigenetic biomarker in Paget's disease of Bone	National	Dr. Shriraam M - PI Dr. Adlyne Reena Asirvatham - Co-I	Faculty of Medicine	Endocrine Society of Tamilnadu and Puducherry	2025-2027	180000
Evidence based Guidelines on Empirical Use of Antibiotic for Upper Respiratory Tract Infections, Acute undifferentiated fevers and Community Acquired Pneumonia	National	Dr. S. Nagendra Boopathy - PI	Faculty of Medicine	ICMR	2025	513500
Evidence based guidelines on empirical use of antibiotic for upper respiratory tract infections, acute undifferentiated fevers and community acquired pneumonia	National	Dr. Pankaj Shah-PI	Faculty of Medicine	ICMR	2025	513500
Assessment of Geometrical dose distribution, persistence of DNA damage and cancer risk estimation in peadiatric subjects after Computed tomography imaging	National	Dr. P. Venkatachalam (PI) Dr. Teena Koshy (Co-PI) Dr. P.M. Venkata Sai (Co-PI) Dr. Sudha Pattan (Co-PI)	Faculty of Biomedical Sciences Faculty of Medicine	IGCAR, DAE	2025-2028	2499683

Low-Cost App-based Intervention Dialog Plus For Anxiety And Depression In Outpatient Psychiatric Setting - Pragmatic Multisite Randomized Controlled Trial	National	Dr.Suvarna Jyothi Kantipudi-Co-PI Dr. R Padmavati, Director, Schizophrenia Research Foundation (I) - External CO-PI: Ms. Hepsipa Omega Juliet1 Dr. Lakshmi Venkatraman1 Prof. Vikas Menon 3 - External CO-I: Dr Ragul Ganesh3 Dr Natarajan Varadharajan3 Dr Karthik Subramanian4	2Faculty of Medicine 134other Institute 1 Schizophrenia Research Foundation (I) 2 Sri Ramachandra Institute of Higher Education and Research (SRIHER), Chennai 3 Jawaharlal Institute of Postgraduate Medical Education and Research (JIPMER), Pondicherry 4 Mahathma Gandhi Medical College and Research Institute (MGMCRI), Pondicherry	Indian Council of Medical Research	2025-2028	1833324
Evaluating the association of antifungal resistance vaginal microbiome host genetic and immune factors in women with recurrent vulvovaginal candidiasis.	National	Dr Anupma Jyoti Kindo-Pi Dr Premamalini T Dr Geetha Kumararaj	Faculty of Medicine	ICMR	2025-2028	1320100
Identification and characterization of a nonenzymatic RAS effector as a potential tumor suppressor in gastric cancer	National	Dr Lakshmi Revathi Perumalsamy-PI Dr Leena Dennis-I Dr Koushik A K-I	Faculty of Biomedical Sciences Faculty of Medicine	CSIR	2025-2028	2500000

Inter-institutional Collaborative Projects and associated Grants sanctioned

GATE Projects Sanctioned				
Name of the Project	**Duration of the project**	**Name(s) of the teacher(s) working in the project receiving seed money**	**The amount of seed money provided (in Rs)**	**Date/Year of receiving the seed money**
Gender equity in Child and Adolescent Nutrition in a rural area of Tiruvallur district: A mixed-method study.	1 year	Dr. Amritha Lekha. A. K Assistant Professor Community Medicine, Faculty of Medicine	100000	22-Jul-25

A study on family Adoption program for Undergraduate Medical students – perspectives from faculties, medical students and family members.	1 year	Dr Pragadeesh P Community Medicine Faculty of Medicine	100000	22-Jul-25
NutriBot-D: Development and Evaluation of a Multilingual Chatbot for Nutrition Education in Hemodialysis Patients	1 year	Dr. Sandhya Suresh, Associate Professor, Department of Nephrology, Faculty of Medicine	100000	22-Jul-25
Subclinical Cardiovascular dysfunction in Hypertensive disorders of pregnancy.	1 year	Dr. Judah Nijas Arul, Assistant Professor – Department of Cardiology, Faculty of Medicine	100000	22-Jul-25
Evaluation of efficacy of Vitamin B_{12} as an add on therapy in chronic migraine: A prospective single arm study	1 year	Dr. Najma Sherin. M, Senior Resident, Department of Pharmacology, Faculty of Medicine	100000	22-Jul-25
Prevalence of Latent Tuberculosis Infection Among Chronic Kidney Disease Patients on Hemodialysis and Comparative Evaluation of TST and IGRA for Its Detection: A Cross-Sectional Study	1 year	Dr.Rama .V, Assistant Professor Faculty of Medicine	95000	22-Jul-25
Dynamic Surface Thermography using Smartphone attached Thermal Camera to detect Carotid Occlusion	1 year	Dr Rithvik Ramesh Associate Professor Department of Neurology	70000	22-Jul-25
Estimation of Iodine status using Urinary Iodine / Creatinine ratio and Prevalence of Iodine deficiency in Exclusively Breastfed infants from Tamil Nadu state	1 year	Dr Senthamizhan J U, Senior Resident , Department of Pediatric Medicine	95000	22-Jul-25
Breaking the Chain: A Community-Based Evaluation of Tuberculosis Preventive Treatment Among TB Household Contacts in Tamil Nadu – A mixed method study	1 year	Dr.Susithra.R Senior Resident, Community Medicine	100000	22-Jul-25
Effect of Cryopreservation on Sperm Telomere Length in infertile men	1 year	Dr. Swathy Yuvaraj, Lecturer (Clinical Embryology), Department of Reproductive Medicine and Surgery	100000	22-Jul-25
Bridging the Digital Gap: Exploring Barriers and Enablers of Health-Related Digital Inclusion among Rural Communities in South India: A Mixed-Methods Study	1 year	Dr. Aswin. A Senior Resident Community Medicine	100000	22-Jul-25
Epithelial – Mesenchymal Transition markers in Endometrial Carcinoma and their Correlation with the Clinico-Pathological Parameters.	1 year	Dr. M.Kalaivani, Senior Resident, Department of Pathology	100000	22-Jul-25
Design and Development of Homogeneous 3D Printed Head Phantom	1 year	Ms. T.M.Hemavathi, Senior Lecturer cum RSO	100000	22-Jul-25

UG Summer fellowships sanctioned in 2024 – 25.

Student Name	Course	Year	Contact details	Project Title	Name of the Supervisor & Designation
Anupriyaa A	MBBS	IV year	M0121037@SRIHER.edu.in	Evaluating post operative venous thrombosis embolism risk in cancer patients: A retrospective study using the modified caprini score .	Dr Balasubraminiyan - Associate Professor, Dept. of surgical oncology
Vaatsalya B	MBBS	CRRI	M0120042@SRIHER.edu.in	Histopathologic examination of Neoadjuvant Chemotherapy treated Breast Cancers and its correlation with Clinical and Radiological findings	Dr.Archana.B - Assistant Professor, Department of Pathology, SRMC
Pragya Balaji	MBBS	IV year	M0121132@SRIHER.edu.in	Awareness and Practices of HPV Vaccination among Doctors and Nurses: A Questionnaire Based Study	Dr. Vanishree Shriraam, Associate Professor, Department of Community Medicine, Sri Ramachandra Medical College and Research Institute
Mitun Krishnan C s	MBBS	II year	M0123095@SRIHER.edu.in	Salivary 1,5 Anhydroglucitol as an Early Diagnostic Marker of Diabetic Retinopathy	Dr. Santhi Silambanan - Professor of Biochemistry
Prapthi S	MBBS	III year	M0122057@SRIHER.edu.in	"Stethoscopes under the scope: A Hidden reservoir for pathogens"	Dr Premamalini MD(Microbiology), Associate Professor, Department of Microbiology
Hayshica Venkatesan	MBBS	II year	M0123112@SRIHER.edu.in	Assessment of urinary vitarrun D binding protein for early detection of tubular dysfunction in type 2 diabetes risk groups	Dr. Leena Chand, Associate professor , Department of biochemistry
Gitanjali A Thirumurugan	MBBS	III year	M0122134@SRIHER.edu.in	Enhancing Diagnostic Accuracy: AI-based detection of Cryptitis in Colonic Biopsies	Dr Arthi M, MD, Assistant Professor, Department of Pathology

Neha Uvaraj	MBBS	III year	M0122204@SRIHER.edu.in	HER2 Expression in Lung Adenocarcinoma: A Study from a Tertiary Care Centre	Dr. Vasugi. G. A, Associate Professor, Department of Pathology, SRIHER
Veronica Ala	MBBS	III year	M0122098@SRIHER.edu.in	An Online Questionnaire Based Study on the Knowledge, Attitude and Practices of Nursing Staff/Professionals Regarding Exposure Keratopathy in Multi-Disciplinary Intensive Care Units of a Medical College Hospital	Dr. Aswathi Neena Satheesh, Senior Resident, Department of Ophthalmology
Nikitta Krishnan	MBBS	I year	M0124004@SRIHER.edu.in	Common Dermatological Presentations in Young Adults (18 - 25 Years) and their Association with Obesity and Metabolic Parameters A cross sectional study	Dr. Muthu Prathibha KM, Professor and Head, Physiology
Cathrvn Persis P	MBBS	III year	M0122056@SRIHER.edu.in	Effect of daily Kefir consumption on inflammatory markers, lipid profile and quality of life in young adults: A pilot study	Dr. Priscilla Johnson, Professor, Department of Physiology
Pujaa SS	MBBS	III year	M0122117@SRIHER.edu.in	Decoding of Fungal Rhinosinusitis with radiological findings and histopathological correlation.	Dr.Lawrence D Cruze,Associate professor, Dept.of pathology
Chittudevi Ramanathan	MBBS	III year	M0122231@SRIHER.edu.in	Impact of screen time on sleep quality and heart rate variability among medical students	Dr. Suganya K, Assistant Professor, Department of Physiology, Faculty of Medicine
Aashika Maria Philson	MBBS	I year	aashikamaria@gmail.com	Assessment of biochemical alterations in Type 2 Diabetes Mellitus Patients with different stages of MASLD	Dr. Rakchna M - Assistant Professor, Department of Biochemistry, SRIHER
Adhavan Sasikumar	MBBS	I year	M0124057@SRIHER.edu.in	Predictive Value of sdLDL and Atherogenic Lipid Indices for Severity and Prognosis in Acute Coronary Syndrome: A Prospective Case-Control Study	Dr.K.Sowmya - Professor and Head, Department of Biochemistry, SRIHER
Karishma Ashwin	MBBS	I year	M0124063@SRIHER.edu.in	Role of GGT along with inflammatory markers in predicting diabetic nephropathy in type 2 diabetes mellitus: A cross sectional study.	Dr.K.Sowmya - Professor and Head, Department of Biochemistry, SRIHER

Nidharshana Kaliraj	MBBS	IV year	M0121083@SRIHER.edu.in	Investigating the Association of Dietary Factors, Sedentary Lifestyle and other risk factors with childhood asthma	Dr. S. Elayaraja, MBBS, DCH, DNB (Ped), Department of Pediatrics, Sri Ramachandra Medical college
Oviva RS	MBBS	II year	M0123119@SRIHER.edu.in	Seroprevalence of Parvovirus B19 IgM and IgG antibodies in Pregnant women during early gestation: A cross sectional study in a Tertiary care centre	Dr Swati Kumari MD Microbiology
Sheza Jasheer	MBBS	I year	M0124128@SRIHER.edu.in	Impact of Sleep on Psychomotor Performance of Medical Students	Dr. Priscilla Johnson - Professor Department of Physiology
Vhasavi Ragavan	MBBS	I year	M0124035@SRIHER.edu.in	Investigating the Neurocognitive and Mood-Modulating Effects of Liona€™s Mane Mushroom (Hericium erinaceus) in Healthy Adults Aged 18-25 Years	Dr K Muthu Prathibha, Head of Department, Physiology
Sonikha Saravanan, Avni R Rao	MBBS	II year	M0123113@SRIHER.edu.in and M0123111@SRIHER.edu.in	Comparative analysis of antimicrobial efficacy of three common disinfectants against multidrug-resistant bacterial strains in a tertiary care center	Dr.Sharanya pillai - Senior Resident, Dept of microbiology
Mahalakshmi S	MBBS	I year	M0124067@SRIHER.edu.in	Analysis of serum ferritin level and it's association with Gestational diabetes mellitus in pregnant women with and without anemia	Dr K. Sowmya
Surabi Khandai	MBBS	II year	M0123114@SRIHER.edu.in	Prospective Evaluation of Sleep Quality, Hormonal Imbalance, and Metabolic Markers in Coronary Heart Disease Patients: A Case-Control Study	Dr.Rakchna M - Assistant Professor,Department of Biochemistry,SRIHER
NehaNS	MBBS	II year	M0123210@SRIHER.edu.in	Evaluation of Serum Calcium and Magnesium Levels in Type 2 Diabetes mellitus and their association with Glycemic control	Dr Mamta Singh , Professor , Department of Biochemistry, Faculty of Allied Health Sciences
Prathiyanka KP	MBBS	I year	M0124139@SRIHER.edu.in	Development of an institutional mobile application for blood donation	Dr. Divya Laxmi, Assistant Professor, Department of Physiology

MikhilOm Sivakumar	MBBS	II year	M0123093@SRIHER.edu.in	Assessment of Awareness and Perceptions of Autism Spectrum Disorder among medical students in South India.	Guide: Dr. Vanishree Shriraam Associate Professor Department of Community Medicine, Dr. K. Suganya Assistant Professor Department of Physiology
Chris Jayson Anand	MBBS	II year	M0123183@SRIHER.edu.in	A clinical pathological analysis of giant cell lesions of bone : retrospective study in a tertiary care center.	Dr. Subhalakshmi Balasubramanian, Associate Professor of pathology, SRIHER
Yashwantha Elumalai Jagadeesan	MBBS	IV year	M0118076@SRIHER.edu.in	Unlocking Neuroprotection in Multiple Sclerosis: An In-Depth Investigation of Vorinostat's Therapeutic Potential Using a Zebrafish Model	Dr. Ramya
Pavita Prabhu, Jayalakshanya	MBBS	1 year	M0124048@SRIHER.edu.in	"Waist-Hip Ratio as a Predictor of Gastric Accommodation in Healthy Young Adults Aged 18-25 Years"	Dr. K Divyalaksmi - Assistant professor of physiology

Details of Research Projects and grants						
Title of the project	**State/ National / International**	**Name of the Principal Investigator & Co investigators**	**Departments**	**Name of the funding agency**	**Date/Year in which started & Duration**	**Total Grant (Rs.)**
Harnessing Off-Target Mechanism for Personalized Therapeutics in Triple Negative Breast cancer: Identifying New Biomarkers and Combination Treatments	National	Dr Jaikanth C (PI) , Dr TS Ganesan	Pharmacology	ICMR	01/03/2024	1,16,00,000

Inter institutional collaborative projects and associated grants					
Title of the project	**National / International collaboration**	**Name of the Principal Investigator & Co investigators**	**Collaborating institution and name of funding agency**	**Date/Year in which started & Duration**	**Total Grant (Rs.)**
Formulation and optimization of a herbal mucoadhesive gel for antifibrotic effect in oral Submucous fibrosis using animal models	International	PI: Dr. Malathi, Co-PI: K. Sathesh Kumar	SPARC MHRD	13/05/2019	55,18,430
Developing p90 ribosomal S6 kinase inhibitor for Treating Triple Negative Breast cancer	National	PI: Mrs G Nithya, Co-PI: Dr Jaikanth C	SRIHER	03/04/2023	1,00,000
Evaluating the role of BAFF and APRIL levels in migraine phases to assess autoimmune characteristics.	National	Dr. Murugesan Arumugam	Corporate social responsibilities (CSR) from Avicene Private Limited, Chennai.	20/07/2024	50000
National seminar on Phytopharmaceutical: A scientific approach on Farm to Market	National	Dr. S. Hemalatha	National Medicinal Plant Board ,Ministry of Ayush	15/01/2025	5,00,000

GATE projects sanctioned				
Name of the Project	**Duration of the project**	**Name(s) of the teacher(s) working in the project receiving seed money**	**The amount of seed money provided (in Rs)**	**Date/Year of receiving the seed money**
Development of a herbal mouth dissolving film using solanumnigrum for the relief of oral inflammation and ulcers	6 months-1 year	Dr.Krupa Mohandoss-	10000	27/06/2025
A mucoadhesive approach of nasal gel for targeted brain delivery of Amphotericin Bin treating Primary amoebic meningoencephalitis	6 months-1 year	B.Devi shree-G.Priyadharshini	10000	27/06/2025
Development of high absorbency natural poymer based materials using advanced processing techniques	6 months-1 year	Dr.Sudhakar.K	10000	27/06/2025
Assessment Of Neurofilament Light Chain As a Biomarker In Major Depressive Disorder - a Case Control Study.	6 months-1 year	Dr.Swathy G,	10000	27/06/2025
Usability and Knowledge of Different Insulin Pens and Syringes Among Rural Community Pharmacists in India: A Cross-sectional and Interventional Study	6 months-1 year	Dr.Swathy G R	10000	27/06/2025
In Silico Analysis of CYP2C19 and CYP2D6 Genetic Variants and Their Implications on Drug Metabolism in the Indian Population	6 months-1 year	Dr.Swathy G	10000	27/06/2025
Formulation of cream based on Ziziphus mauritiana fruit extract	6 months-1 year	Dr. Shabna Roupal Morais	10000	27/06/2025
Study Of Anticancer Potential Of Sinapic Acid On Luminal Breast Cancer Using Molecular Docking	6 months-1 year	Dr.Shabna Roupal Morais	10000	27/06/2025
Development and Evaluation of a Black Gram(vigna mungo) based Transdermal Patch for Anti-Inflammatory activity	6 months-1 year	Dr.Shabna Roupal Morais	10000	27/06/2025
Development of a Functional Snack Bar with Cholesterol-Lowering Seeds and testing its Binding Capacity to Bile Acids: A Marker for Hypocholesterolemic Potential	6 months-1 year	Dr.S,Deepa	10000	27/06/2025
Silver nanoparticles as a carrier for Vitex trifolia in a Transdermal Patch: A Novel Anti-inflammatory Approach	6 months-1 year	Dr.M.Sangeetha	10000	27/06/2025
Formulation and Evaluation of ABCGummies:A Phyto-Rich Skincare Innovation for a glowing Future	6 months-1 year	Dr.M.Sangeetha	10000	27/06/2025

Targeting ER-poitive metastatic breast cancer with coumarin-sulfonamid scaffolds as steroidal sulfatase inhibitors in the treatment of breast cancer	1year	Dr. R. Srimathi ; Dr. A. Jerad Suresh	100000	01/07/2024
Association of SLCO1B1,SLC19A, ARID5B1 gene polymorphism with toxicities of high dose methotrexate with acute lymphoblastic leukemia in south indian children	1 year	Dr. Leena Pavitha; Dr. A. Jerad Suresh	98000	16/07/2024
Exploring the associations of ESR1 and ESR2 gene polymorphism with metabolic syndrome in peri and post - Menstrual women	1 year	Dr. S. Sindhu Dr. K. Sujatha	100000	16/07/2024
Developing P90 S6 ribosomal kinase inhibitor for treating negative breast cancer	2023-2024	Dr. G. Nidhya; Dr. Jaikanth. C	10000000	18/07/2023
Advanced Alpha-Synuclein aggregation inhibitors for the treatment of Parkinsons disease	1 year	Dr. Vignesh Manoharan, Dr. Srikanth Jeyabalan	100000	2024

Accreditations/ Certifications received for the program/department			
Department	**Program**	**Year**	**Name of Agency**
Human Genetics	NA	Valid till February 2026	NABL

Details of Research Projects and grants received, Extramural						
Title of the project	**State/ National/ International**	**Name of the Principal Investigator & Co-investigators**	**Departments**	**Name of the funding agency**	**Date/Year in which started & Duration**	**Total Grant (Rs.)**
Characterisation of Wnt signaling pathway as a potential therapeutic target for Ligamentum flavum hypertrophy in Lumbar canal stenosis	National	Dr Sudhir Ganesh, Dr Lakshmi Revathi Perumalsamy Dr Arun Dharmarajan Dr Sandhya Sundaram	Spine Surgery, Biomedical Sciences, and Pathology	SERB-CRG	28-08-2023	6245613
Imbalance of pro- and anti-inflammatory bioactive lipids, reverse cholesterol transport (HDL function) in the progression of prediabetes to type 2 diabetes mellitus	National	Dr. K.Kaviarasan & Dr. Sriram	Departments: Biomedical Sciences & Endocrinology	ICMR (Extramural grant)	01-02-2022	1491308
Characterisation of Wnt signaling pathway as a potential therapeutic target for Ligamentum flavum hypertrophy in Lumbar canal stenosis	National	Dr Sudhir Ganesan, Dr Lakshmi Revathi Perumalsamy, Dr Sandhya Sundaram	Spine surgery, BMS, Pathology	SERB-CRG	28-08-2023	6245613
Bio-fabrication of bionic nanofibrous cell sheet and 3D printed scaffold combination for superior periosteum and bone remodelling	National	Dr H.Balaji, Dr Lakshmi Revathi Perumalsamy, Dr Sudhir Ganesan	Clinical Research, BMS, Spine Surgery	SERB-CRG	07-02-2024	4659080
Cold Plasma Device for Chronic and Acute Wound healing	National	Dr. Rajesh Kumar Gandhirajan	Human Genetics	AICTE/MOE	06-05-2024	500000

A Tiered Biodosimetry Approach for the Management of Large-Scale Radiological and Nuclear Emergencies	National	Dr. P. Venkatachalam, Prof. Venkata Sai PM, SRIHER. Prof. Satish Srinivas & Dr. Teena Koshy, SRIHER	Human Genetics, Radiology & Imaging Sciences Dept of Radiation Oncology	SPARC	01-07-2023	6441073
Workshop on Advanced Molecular Biology techniques in Dental-Genetic Research. Received the first-year grant and currently running the first batch of training	National	Dr. Vamsi Lavu & Dr. Vettriselvi	Human Genetics, Sri Ramachandra Dental College	DHR	01-11-2021	2400000
Association of MicroRNA polymorphism and expression levels with coronary artery disease	National	Dr. Vettriselvi	Human Genetics	ICMR	14-07-2022	550000
Chromosomal sensitivity in directly irradiated and bystander normal and cancer cells after low and high LET irradiation	National	Dr. Venkatachalam & Dr. Teena Koshy	Department of Cardiology and Department of Human Genetics	BRNS, DAE	24-04-2023	3050000
Effect of SGLT2 inhibitors on mRNA expression in patients with heart failure with reduced ejection fraction (HFrEF)	National	Dr. Nagendra Boopathy & Dr. Vettriselvi	Human Genetics	DHR	10-04-2024	4165686
Role of tumor-derived heme in cancer progression	National	Dr. Rajesh Kumar Gandhirajan	Human Genetics	DBT	06-05-2024	4381198
Assessment of geometrical dose distribution, persistence of induced DNA damage, and cancer risk estimation in paediatric subjects after computed tomography imaging	National	P. Venkatachalam, Teena Koshy, Venkata Sai Pm	Human Genetics & Radiology	DAE, IGCAR, Kalpakkam	01-06-2025	2499000
Translating cold atmospheric plasma technology for effective management of infection wounds from bench to bedside	National	Dr. Rajesh Kumar Gandhirajan	Human Genetics	ICMR	03-02-2025	2711032

Inter-Institutional collaborative projects and Associated grants received					
Title of the project	**National / International collaboration**	**Name of the Principal Investigator & Co-investigators**	**Collaborating institution and name of funding agency**	**Date/Year in which started & Duration**	**Total Grant (Rs.)**
A system-based framework integration metagenomics and metabolomics data to unravel microbial interactions in UTI	National	Dr. Solomon F.D. Paul	VIT, ICMR	01-12-2022	2939620

Seed money (GATE) received by teachers for research from the university				
Name of the Project	**Duration of the project**	**Name(s) of the teacher(s) working in the project receiving seed money**	**The amount of seed money provided (in Rs)**	**Date/Year of receiving the seed money**
Development and Supplementation of Resistant Starch-Based Product to Improve the Gut Microbiome Composition of Women with Polycystic Ovarian Syndrome(PCOS)	1 Year	Nandita Krishnan, V Deepa Parvathi and Supriya V	100000	01-08-2024
Assessment of Bedaquiline-Induced Hepatocellular Injury In Huh7 Cell Line and Identification of a Suitable Natural Compound With Toxicity Mitigation Property	1 Year	Dr. Udhaya Lavinya B, Prof. A. Sumathy	100000	27-05-2022

Recuperative potential of Indian medicinal plant compounds- a tool to encumber henipaviruses: an in-silico study.	Sukanth Kumar Enmozhi, Infant Xavier, Theepan Raaj, R Sarveswaran, Jeba Blessings, Yugesh Kesavamoorthy, Rahul Vivek, Kavitha Raja, Irudhayasamy Sebastine, Antony Jeffri, Sumathy Arockiasamy, Jerrine Joseph, Ananda Rani	In Silico Pharmacology	01-08-2024	2193-9616
Sinapic Acid (3,5-dimethoxy-4-hydroxycinnamic Acid) as Potential Protective Agent Against Tacrolimus-Induced Nephrotoxicity in MDCK Cells	Cordelia Mano John, Rajamiriyam M, Jonnalagadda Bhavana, Yadav Sangeeta Muthyalaiah, Sumathy Arockiasamy	Advances in Pharmacology and Pharmacy	01-07-2024	2332-0036
Proteome of pericytes from retinal vasculature of diabetic donor eyes	Sharmila R, Angayarkanni N, Radha Annamalai, Lawrence D Cruze, Purushothaman K, Kaviarasan K	Experimental Eye Research	01-11-2024	1096-0007
Essential oil nanoemulsion: An emerging eco-friendly strategy towards mosquito control	Kavitha Sri AnnaDurai, Natarajan Chandrasekaran, Supriya Velraja, Gnanadhas Sobhin Hikku, Venkatachalam Deepa Parvathi	Acta tropica	01-07-2024	1873-6254
Evaluating the Genotoxicity of Hydroxychloroquine: An In Vitro and In Vivo Study	Sudharsan Sankar, Sharmishta Redipalli, Indhuja Jayaraj, Soumika Ghosal, Venkatachalam Deepa Parvathi	Journal of Health Sciences and Surveillance System	01-07-2024	2345-3893

Behavioural and biochemical effects of alcohol in Drosophila melanogaster	Sivaramakrishnan Shantha, Venkatachalam Deepa Parvathi	Journal of Integrated Science and Technology	06-07-2024	2321-4635
Microbiological Profile of Phytoestrogen Rich Supplement and Its Impact on Gut-microbiome Composition in Drosophila melanogaster	K. Gayathri, R. Nalini, Sneha Sriram, Indhuja Jayaraj, V. Deepa Parvathi and Supriya Velraja	Journal of Pure and Applied Microbiology	02-08-2024	2581-690X
Key Players in the Complex Pathophysiology of Obesity: A Cross Talk Between the Obesogenic Genes and Unraveling the Metabolic Pathway of Action of Capsaicin and Orange Peel	Varshini Bhavanandam Mahankali, Supriya Velraja, Venkatachalam Deepa Parvathi, Selvaraj Ramasamy	Applied Biochemistry and Biotechnology	05-08-2024	0273-2289
Casitose, and Its Combination Diets Increase Antioxidant Activity and Upregulates Aging related Genes in Drosophila melanogaster	Jayaraj, Vijaya Harini Sathyamurthy, Sudharsan Sankar, Selvaraj Ramasamy, Supriya Velraja, Venkatachalam Deepa Parvathi	Biomedical and Biotechnology Research Journal	17-09-2024	2588-9842
Development of Biodegradable Tapioca Starch Films Incorporating Green Synthesized Zinc oxide Nanoparticles for Enhanced Preservation and Packaging of Sweet lime Segments: A Study of Their Physical and Antimicrobial Properties	Sangeetha V, Hemalatha S, Hemamalini A. J, Supriya V, Deepa Parvathi V, and Natarajan Chandrasekaran	Current Trends in Biotechnology and Pharmacy	01-09-2024	2230-7303
Functionalized Nanomaterials in Pancreatic Cancer Theranostics and Molecular Imaging	Yoghalakshmi Nagarajan, Natarajan Chandrasekaran, and Venkatachalam Deepa Parvathi	Chemistry Open	01-10-2024	2191-1363
The Anti-Elixir Triad: Non-Synced Circadian Rhythm, Gut Dysbiosis, and Telomeric Damage	Anup Kumar Mani Venkatachalam Deepa Parvathi Sumitha Ravindran	Medical Principles and Practice	13-11-2024	1423-0151
Expression of mTOR, CD163, SMA, FOXp3 as survival predictors and its significance in patients with oral squamous cell carcinoma	Suganya Ramalingam, Sivaramakrishnan Shantha, Chakravarthy Purushothaman Srinivasan, Nagarajan Priyathersini, Susruthan Muralitharan, Uma Sudhakar, Harikrishnan Thamizhchelvan and Venkatachalam Deepa Parvathi	BMC Oral Health	01-12-2024	1472-6831

Advances and challenges in therapeutic resistant biomarkers of neuroblastoma: A comprehensive review	Krithicaa Narayanaa Y, Amrutha Arjunan, Devi Maigandan, Arun Dharmarajan, Lakshmi R Perumalsamy,	BBA reviews on Cancer	20-11-2024	1879-2561
