## FOREWORD

The Annual Report 2020-2021 of Sri Ramachandra Institute of Higher Education and Research (SIHER) to Sri University presents a comprehensive overview of the year's milestones, achievements, and initiatives. Released on the occasion of the 40th Convocation held on 12th October 2021, this report encapsulates the dynamic progress of our academic branches and administrative units.

It highlights our wide spectrum of academic programmes, admission and placement trends, co-curricular activities, research collaborations, milestones of award-winning groups, faculty achievements, awards, and contributions to international and national conferences and publications. The report also showcases social outreach initiatives, innovation-led projects, and significant events that reflect the university's steadfast commitment to excellence in education, healthcare, and research.

With cyclical images capturing the spirit of the year, this report stands as a testament to our collective pursuit of quality and impact. I am confident that the Annual Report will serve as a valuable reference and source of inspiration for all our stakeholders, collaborators, and well-wishers.

#### Description of Emblem

The emblem of the University has four salient images depicted in it: The red triangle with its apex pointing up, the bow, the arrow and the entwined snakes.

The triangle with the arrow underscores the Mission of the University, viz. to stage the three enduring objectives – Education, Healthcare and Research – represented by its three sides into a harmonized whole and hold it launched boldly up into the future. The bow in addition, stands for the spirit of Humour (or the spirit of Accessibility) and with the two entwined snakes represents the Caduceus, which has been traditionally used as the symbol of the medical profession. Undoubtedly, the bow here adds dynamism and a further dimension to the theme as it tests the arrow pointed with its focus and potency.

## Message from the Chancellor

It is with deep joy and pride that I address you on the occasion of our 40<sup>th</sup> Convocation. This milestone is not only a celebration of academic accomplishments but also a reaffirmation of the values and vision upon which Sri Ramachandra Institute of Higher Education and Research (SRMHER) was founded by our beloved Founder Chancellor, Ayya Tada R.P.V. Thevarasamy Uthayar. His dream was to create an institution where quality education and compassionate healthcare would go hand in hand, serving not only the nation but humanity at large. Today, as we stand on the strong foundation he laid, we remain guided by his enduring vision.

At the heart of our institution lies a steadfast commitment to excellence in teaching, research, and healthcare. This excellence, as envisioned by our Founder, is not measured merely by accolades, but by the ability to transform lives. Every step forward by SRMHER, whether in academics, research, or service, is a tribute to his foresight and determination.

Our students are the true embodiment of this vision. Their growth - academic, professional, and personal - is nurtured through holistic education that combines knowledge with compassion and skills with ethics. We look upon our graduating students who step into the world not only as competent professionals but also as benevolent human beings, ready to serve society with humility and integrity.

Quality, our Founder's pledge of healthcare for all, continues to inspire us. Through the Sri Ramachandra Medical Centre and Hospital, we provide advanced, affordable, and compassionate care to millions. Quality in healthcare is not just a benchmark but a sacred duty. Our recognition as an Excellence in Quality institution and a five-star Star Right Hospital are reflections of this commitment.

Above all, our founder seeks an embracing humanity - inclusiveness, empathy, and service form the essence of our mission. Just as our Founder envisioned, we do not merely produce graduates or publishing research; we are shaping individuals who are real, upright, and resilient.

As we look ahead, we remain committed to advancing learning and healthcare while holding firmly to the values bestowed upon us by our Founder Chancellor. To our graduating students, I say: carry forward his noble legacy, lead with vision, serve with compassion, and contribute to building a healthier and more humane world.

WISHINGS AND BEST WISHES.

V.K. VENKATACHALAM

## Message from the Pro-Chancellor

As we gather to celebrate the 12<sup>th</sup> Convocation of Sri Aurobindo Institute of Higher Education and Research (SAIHAR), my heart is filled with gratitude and joy. This is not only a day of joy for our graduates and their families but also a moment to reflect on the vision of our revered Founder-Chancellor, Ayya Thiru. K.P.V. Ramasamy Udayar. His values of discipline, service, compassion, and excellence continue to light our path, guiding us in every step we take as a university community.

This past year has once again shown us that his vision is alive in every sphere of our institution. Our students and faculty have distinguished themselves not only in academics and research but also in the broader areas of service and achievement. Our sports teams and athletes brought laurels at the state, national, and inter-university levels – excelling notably in boxing, badminton, swimming, and tennis. These victories are not merely trophies; they represent the determination, discipline, and team spirit that our Founder valued deeply.

Equally inspiring is the work of our NSS volunteers and NCC cadets, who embody the spirit of service and nation-building. By adopting villages, conducting health awareness campaigns, environmental initiatives, and participating in various NCC camps, they reflect our deep commitment to social responsibility and ethical values. Their service is a living example of leading beyond ourselves, rooted in humanity and community care.

I hold also acknowledge with great appreciation the vibrant role of our alumni. They remain an enduring strength of SAIHAR, offering mentorship, supporting infrastructure, conducting workshops, and guiding students with career mentoring. Their continued engagement reflects the strong bond our graduates share with their alma mater, and their generosity is a reminder that true success lies in giving back.

As we celebrate these achievements, let us remember that all of them are anchored in the values of our Founder-Chancellor. His vision was not simply to create an institution of learning, but a community where education, healthcare, service, and humanity stand seamlessly. Today, every achievement in the lab, on the sports field, in rural communities, or through alumni contributions reaffirms his vision.

To our graduates, I extend my warmest congratulations. May you carry forward the legacy with pride, and may the light of our Founder's vision continue to inspire your journey in the years to come.

**R.V. SENGUPTHA**

## Message from the Vice-Chancellor

I give my immense happiness to extend my greetings on the occasion of the 40<sup>th</sup> Convocation of Sri Ramachandra Institute of Higher Education and Research (SRMER). Each convocation is a moment of celebration, not only for our graduates and their families but also for the institution as a whole, as it reflects our progress in academics, research and service to society. This year has been especially significant, with SRMER strengthening its position as a premier centre of higher learning. We have introduced new academic programmes, expanded the Choice-Based Credit System, and deepened student engagement in innovative modes of learning. Our consistent NAAC A++ grade and NIRF ratings stand as evidence of our commitment to quality education. Recently, our global impact continues to expand through 22 new Memoranda of Understanding (MoUs) with leading universities and research centres across the world, opening new pathways for student and faculty exchanges, collaborative research, and internationalisation. Our Medical Centre received the prestigious AMR Excellence in Quality Award, while our central unit recognised by the PMBA with a five-star 'Best High-Cost' Centre.

Academically, we launched four new programmes, expanded our Choice-Based Credit System across disciplines, and witnessed strong participation in SWAYAM-IPTEL courses, demonstrating our commitment to flexible, outcome-based learning. Over 90% of students succeeded in university examinations, with 44 Ph.D. candidates completing their research.

Research at SRMER continues to thrive, with faculty contributing over 1,100 publications in indexed journals, filing 28 new patents, and securing external grants worth ₹25 crore from premier national and international agencies. Our Innovation and Incubation Centre, now a Section 8 company, nurtures 17 start-ups and 60 student pre-incubation, reflecting our strong entrepreneurial ecosystem.

In addition, our faculty served more than 18,000 patients, organised hundreds medical camps, and continued to set benchmarks in quality and patient safety. Student support remained a cornerstone through scholarships, mentoring, vibrant cultural and sports activities, and international placements with packages up to ₹72 LPA. Our students won proud laurels in national-level sports, while our NIRF and NIRF units carried forward the tradition of community service and nation building.

As we celebrate these achievements, our gaze remains fixed on the future. With innovation, compassion, and collaboration as our guiding principles, SRMER is committed to shaping professionals who will improve health, transform society, and inspire change.

I extend my heartfelt gratitude to our distinguished Pro-Chancellor, faculty, staff, alumni, and students for their unwavering support and dedication. Together, we shall continue to scale new heights.

UMA BEHAR

## Message from the Pro Vice-Chancellor

The 45<sup>th</sup> anniversary is not only a celebration of academic excellence, but also a reflection of the values and vision that continue to guide Sri Ramachandra Institute of Higher Education and Research (SRMHER).

As we look back at the journey from July 2004 to June 2020, the achievements of our University stand as a testament to our collective dedication. Our consistent performance in national and international rankings, our recognition in prestigious accreditations, the expansion of global partnerships, and the vibrant student engagement through academics, research, sports, and community outreach exemplify SRMHER's unwavering commitment to quality and innovation.

Our vision for the coming years is to strengthen SRMHER's role as a global leader in health sciences education, career development, and research. We will continue to adopt innovative teaching methodologies, harness emerging technologies, and foster cutting-edge research in areas of national and global importance. By deepening international collaborations and nurturing entrepreneurial ventures through our Innovation and Incubation Centre, we aim to create an ecosystem that empowers our students and faculty to become pioneers in their fields.

Equally important is our enduring commitment to service. The true success of our institution will be measured not just by academic ratings, but by the impact we create in shaping health, well-being, and quality of life. Our graduates, faculty, and researchers will continue to embody values of compassion, resilience, and integrity, ensuring that SRMHER remains synonymous with trust and excellence in healthcare and education.

As we move forward, our mission is clear: to educate, to innovate, and to serve society with responsibility and vision. Together, we will shape a future where Sri Ramachandra Institute of Higher Education and Research continues to inspire, heal, and lead.

## >Welcome Address and Vice-Chancellor's Report

Dr. Uma Jalar  
Vice-Chancellor

at the

16<sup>th</sup> Convocation held on 16<sup>th</sup> October 2024

Distinguished Chief Guest, Honoured Chancellor, esteemed Pro-Chancellor, Members of the Executive Council, Faculty, proud parents, and most importantly, our graduates of the day – Good afternoon to all.

It is with immense pride and privilege that I welcome you all to the 16<sup>th</sup> Convocation of Sri Ramachandra Institute of Higher Education and Research. Today is not merely a ceremony; it is a celebration of dreams fulfilled, of resilience rewarded and of talents waiting to unfold.

Let us all first salute our dear founder, Ustad, our beloved Founder, Ayya Thiru A.P.V. Ramasamy Ustath, whose vision and determination created the edifice of learning. His legacy continues to guide every step that we undertake.

A very welcome to our Chief Guest to the convocator PeopleSoft – Sri. Ananta Varma, Founder and Chief Architect, ZOHO Corporation, 600-01, Teyra District, Tamil Nadu. Sri Varma graduated with a bachelor's degree in Electrical Engineering from the Indian Institute of Technology, Madras, earned his MS and PhD in Electrical Engineering from Princeton University. After a stint in USA, he chose to come back to India - to a small village in Teyra District, Tamil Nadu. His determination, hard work, foresight and a deep passion for developing India as a world class software technical hub resulted in ZOHO Corporation, launched as Anant Net Works in 1999 and from its ZOHO Corporation later. It is now a major provider of cloud-based business solutions and a global software giant without virtual states competing with Amazon, Google and Microsoft. ZOHO has over 100 million users globally and employs thousands of employees outside conventional metropolitan cities. His "Made in India, Made for the world" philosophy reflects the vision of creating globally competitive products at its remaining roots in India.

In recognition of his services and contributions, he was awarded India's fourth highest civilian award, the Padma Shri, in 2021. ZOHO School of Learning established in 2004, remains an ever young venture from modest beginnings in coding and software development. The messaging app WAHATTA introduced by ZOHO is at the top of the popularity charts now. We welcome you all, once again. Your journey is truly awe-inspiring.

I extend a hearty welcome to our Chancellor Thiru. V.R. Venkatasubramanian and our Pro-Chancellor Thiru. R.V. Senguptan.

I am now delighted to share the highlights that define the progress of our university over the past one year!

This year, SRMIST has scaled new heights. In the NIRF 2023 rankings, SRMIST secured 40<sup>th</sup> place overall, 1<sup>st</sup> in Health, 1<sup>st</sup> in Dental, and 16<sup>th</sup> in Pharmacy categories. The College of Pharmacy has been recognized by the National Board of Accreditation, and the Faculty of Management has achieved NBA accreditation for its MBA program. The Institute of Cost Accountants of India, Ministry of Corporate Affairs, also conferred a five-year accreditation. The Dental College was ranked 1<sup>st</sup> among private dental institutions in the India Today Survey. The latest 2024 placed SRMIST 1<sup>st</sup> among private best universities and 1<sup>st</sup> among private medical universities. Outlook-CARE 2023 rankings positioned us 1<sup>st</sup> in Medical, 8<sup>th</sup> in Dental, 3<sup>rd</sup> in Pharmacy, 45<sup>th</sup> in Engineering, and 5<sup>th</sup> in Pharmacy-to-pharmacy.

SRMIST signed 20 new MoUs with reputed universities, making the total to more than 100 active collaborations. These include St. John's University in Rochester, St. University of Saskatchewan in Canada, the University of Cyprus in Nicosia, and the University of Hama in Oman, the Association of Chartered Certified Accountants, Kaiser Labor Relations Institute (KLRI), International Council of Scientific and Industrial Research Dental Drug Research Institute, New Delhi, and the Indian Institute of Tropical Horticulture, Pune, among others. Such partnerships enrich faculty and student exchanges, dual-degree programs, joint research and scholarship opportunities.

Sri Ramachandra Medical Centre received the AHRF 2023 Award for Excellence in Healthcare in the category Excellence in Quality (Beyond Accreditation). The campus was certified as an Eat Right Campus with a banner rating by the Food Safety and Standards Authority of India (FSSAI). This period has also marked the inauguration of the health centers - Sri Ramachandra Wellness and Acquisition Centre for Climate Change and Sustainability in November 2023, and the Comprehensive Diet Care - Centre of Excellence in March 2022. These milestones testify our shared commitment to quality and excellence.

#### Academic

During the academic year 2023-24, more than 2542 students were enrolled across 15 undergraduate faculties, including 44 international, MFI students and PhD scholars. The University has successfully launched the Centre for Distance and Online Education (SRMIST DOLLEARN) and is UGC-approved to offer online programs, beginning with the B.Sc. Data Science (Hons) course for this year. In addition, other certificate courses like Pharmacovigilance and Neurovigilance is also being offered in online platform.

Over 17 programs transitioned to the credit-based Credit System, giving students up to 20% flexibility. Every semester, over 1,350 awards were given in SRMIST NPTEL courses, reflecting the emphasis on self-directed learning. We also integrated the higher knowledge with the local culture.

All 100 convocation 1071 graduates will be honored, including 21 PhDs, 700 undergraduates, and 1000 undergraduates, along with 70 post-grads.

#### Advancing Research, Innovations and Global Collaborations

Dr. Valpara Salazar-Gómez, Dean (Research), continues to rank among the top 2% of world scientists in the field of genetic and human medicine for the 5<sup>th</sup> year in a row according to the annual Stanford University report. Dr. Ramona Soto-Aizman, Pediatric Oncologist is also ranked in Stanford UVA's 2023 list of world top 2% scientists.

BRIGER has crossed a remarkable milestone with over 12,000 scientific publications, more than 1.226 million citations, and an H-index of 100. In 2023 alone, 1,112 papers were published in SCOPUS, PUBMED, and Web of Science journals, with impact factors ranging up to 163. Our research appeared in *The Lancet*, *NEJM*, *Annals of Oncology*, *Journal of Clinical Oncology*, and the *European Heart Journal*.

Concerning intellectual property, we have registered 20 new patents, patented 23, and avoided 4 patents and 40 copyrights. Currently, 44 extremely funded projects are underway with a cumulative grant value of \$183 million, supported by agencies such as DGT, ICAM, ICMR, OMA, the Seake Foundation, Wellcome Trust, MRC-UK, and the UK NH. BRIGER's recognition as a WHO Collaborating Centre for the 5<sup>th</sup> consecutive term now extends its activities across all countries in the South-East Asia region, reaffirming our international leadership in health systems research.

Equally leading is our entrepreneurial spirit. We Dr. Ramonchandra Innovation and Incubation Centre now nurtures 87 ventures and 40 pre-incubation, pending invention, clinical change, startup, and startup technologies. Together, they have obtained over \$6.7 million in grants, affirming BRIGER as a center for innovation.

Over the past year, BRIGER has actively fostered academic growth through a diverse range of more than 800 conferences, workshops, seminars, webinars, the 100-USA BRACG Workshop.

Our faculty and students have continued to set remarkable examples, especially academic excellence, as seen during the National Science Week in February 2023, where over 117 student research papers and 110 research posters were presented across disciplines by undergraduate, postgraduate, doctoral researchers, and faculty members. All 1000 (100) publications and major grant recipients were formally recognized with certificates of appreciation.

## **Excellence and Administration**

SRINER remains committed to strengthening its position as a premier institution for students, faculty, and research across medicine, health sciences, management, and engineering. During this period, the University Development Committee meetings and the University Advisory and Implementation Council sessions were held to continuously enhance and advance the university's goals. Furthermore, SRINER has created and approved an SDG Implementation and Awareness Policy, ensuring alignment of institutional practices with global development goals. All campus activities - curricular, co-curricular, research, governance, and recreational practices are aligned with the Sustainable Development Goals (SDGs). The Times Higher Education (THE) Impact Rankings 2023 acknowledged SRINER's continued commitment to sustainable development.

The University of Examinations office created 5,725 outdoor seats and processed 74,233 medical seats for 6,672 examinations. Additionally, 83 Ph.D. Public University examinations were conducted, including 27 full-time and 21 part-time candidates.

The Research Centre for Women's Advancement (RCWA) continues to empower staff and students through seminars on soft skills, financial literacy, women's health, personal development, mental health, and digital skills, while also working towards their social contribution.

## **Healthcare - St. Ramachandra Medical Centre and St. Ramachandra Hospital**

St. Ramachandra Medical Centre and Hospital remain committed to providing better improvement and patient satisfaction. Regular audits and ongoing training are regularly conducted by dedicated committees overseeing key areas such as Hospital Infection Control, Pharmacovigilance, Medical Records, and Patient Safety. During this period, since the SRH served 1,345,817 patients. Our medical and allied health professionals organized 1,474 free medical camps, treating 6,463 individuals. The hospital was actively commemorated through Breastfeeding Week, Patient Safety Awareness Week, and the International Day of Persons with Disabilities, underscoring its dedication to holistic patient care and community outreach.

## **Mutual Support, Engagement, and Achievements - Beyond Academics**

What sets us apart is not only academic achievements, but also the leadership and compassion of our faculty.

The university continues to implement personalized student counseling and mentoring programs aimed at strengthening mental health, emotional resilience with academic success. Through the International Students Support Cell, international students receive guidance on university orientation, visa processes, FRSD procedures, medical information, requests, and accommodations, while also engaging with alumni to ease their transition and integration. Students have also benefited from international exchange programs, gaining valuable academic and cultural exposure.

The Student Council of BRHEER plays an active role in steering campus life and governance, contributing meaningfully to several institutional committees. The Council, along with 17 vibrant student clubs, celebrates national festivals and organizes diverse cultural and extracurricular events in literature, music, drama, sports, photography, and social outreach through festivals.

#### **Beyond the Campus: Service, Leadership, and Nation-Building**

The Student Club of BRHEER also achieved distinction during 2024-2025 through impactful service and community initiatives. It was conferred the prestigious South Asian Best Project Award for conducting the largest multidisciplinary team covering camp, the Best Project Presentation Award, the ORR Special Recognition Award, and the Best Club for Monstrous Development. The 'Zero to One' road safety campaign, conducted in collaboration with the Greater Chennai Police, stands as a symbol of empowerment for women streetwise guides. The National Cadet Corps (NCC) unit, comprising 21 cadets, participated in prestigious national-level camps such as the Republic Day Camp Selection, Combined Annual Training Camp, Inter-Group Competitions, Sea Training Course, and the Special BRNG Expedition across various districts. Cadets earned accolades in competitions like Cadetdom and Cadetball, and were recognized with roles such as West Coast (Army/Navy) and Ice sculptures in Drill, Flag, marching, and Queen of Honor at the 17th National Unit. These experiences strengthened their discipline, teamwork, and leadership skills, while also bringing honor to the institution.

In parallel, 602 NCC student volunteers adopted 11 villages in the Poonjarai Block of Tiruvallur district, implementing 62 initiatives focused on health, environment, education, and social development. These included medical camps, awareness sessions, English and yoga classes, youth seminars and environmental drives, volunteers planted 3000 seedlings, conducted cleanliness campaigns that removed over 200 kg of waste, and raised over 2700 students through yoga programs. Medical outreach benefited 1211 rural residents, and Project NCCS supported English learning for 273 children. Cultural performances like Kathi Chivas and National Youth Day programs drew visitors and spectators. 4000 volunteers also raised ₹14.36 lakhs for developmental projects.

#### **Student Placement**

The Placement Cell at BRHEER has consistently facilitated robust corporate and international employment opportunities, with over 600 offers across 100 recruitment drives and gross packages reaching 272 LPA in 2025. By combining strong corporate partnerships, targeted skill-building initiatives, and international collaborations, the Cell has established BRHEER as a trusted talent hub for industries worldwide. A major highlight this year has been international recruitment, with prominent recruiters including Accord Rehab (USA), Globe Doctors Hospital (Singapore), Trustee Jobs (Germany), and Aarun Care (UK).

### **Sports Achievements**

In sports, our students secured medals at national and state levels—from rowing and sailing to swimming and canoeing. The men's rowing team won a silver medal at the 7<sup>th</sup> National Indoor Rowing Championships, while one of our students secured first place at the State Championships for canoes. The women's sailing team earned a bronze medal at the national championships, and the men's rowing team earned a second silver medal.

At the Tamil Nadu State Open level, the women's swimming team won first place in both the 200 m and 200 m breaststroke events at the CM Trophy. Additionally, a team trophy in roller sports, bronze in canoe slalom, and 8C in breaststroke at the 19<sup>th</sup> Tamil Nadu Aquatics Championships are on the list of accolades.

Our university organized key events including the Athlete 2024, Renaissance 2024, and the RPL 2024 cricket tournament, fostering sportsmanship and holistic development.

In addition to students' achievements, our Innovation Centre, Vigna Bhava, serves as the Nodal Centre for South-Central District Special Olympics Bharat, selecting athletes to represent India at the 2027 International Special Olympics Games.

### **Alumni Association of SRMER**

Our alumni continue to be our ambassadors of excellence, engaging through 22 impactful events and extending their generosity to scholarships, fellowships, and social causes. Their work with the national alignment our legacy.

In addition to academic and professional achievements, the Alumni Association supported the Sree Gurusulam Charitable Trust and its initiatives in Vijayanagara.

### **Future Vision**

Looking ahead, SRMER remains committed to advancing healthcare education, innovation, and patient care. Our vision is anchored in ethics, technology, and compassion—to prepare leaders who will transform health and strengthen society.

Reverence, today marks not just the occasion of your academic journey, but the beginning of a profound mission. Your knowledge will heal, your compassion will comfort, and your skills will shape the health of our communities.

Be bold with curiosity and tenacity. Lead with courage and integrity. Above all, let your service to humanity be the beacon that guides your path.

On behalf of the entire SRMER family, I extend my heartfelt congratulations to you, your families, and your mentors. May your journey ahead be marked with resilience, purpose, and compassion.

I now invite our respected Chancellor to declare upon the 40<sup>th</sup> Convocation of Sri Rameswara Institute of Higher Education and Research (Deemed University).

1. **Energy Efficiency**  
- Reducing energy consumption through LED lighting, energy-efficient appliances, and smart thermostats.  
- Utilizing renewable energy sources like solar panels and wind turbines.  
- Implementing energy audits to identify areas for improvement.

2. **Water Conservation**  
- Installing low-flow faucets and showerheads.  
- Using dual-flush toilets to reduce water usage.  
- Implementing rainwater harvesting systems for irrigation and non-potable uses.

3. **Green Building Materials**  
- Using locally sourced materials to reduce transportation emissions.  
- Opting for sustainable materials like bamboo, recycled steel, and low-VOC paints.  
- Prioritizing buildings with high LEED or BREEAM ratings.

4. **Indoor Air Quality**  
- Ensuring proper ventilation and air filtration systems.  
- Using low-VOC (Volatile Organic Compounds) paints and finishes.  
- Regular maintenance of HVAC systems to prevent mold and allergen growth.

5. **Waste Management**  
- Implementing recycling programs for paper, plastic, and glass.  
- Reducing waste through composting and recycling programs.  
- Using sustainable packaging and reducing single-use plastics.

6. **Green Roofs and Walls**  
- Installing green roofs to reduce heat island effect and improve insulation.  
- Using vertical gardens (green walls) to improve air quality and aesthetics.  
- Providing habitats for local wildlife and improving biodiversity.

7. **Smart Building Technology**  
- Utilizing Building Information Modeling (BIM) for design and construction optimization.  
- Implementing smart sensors for energy and water usage monitoring.  
- Using cloud-based management systems for efficient building operations.

8. **Green Certifications**  
- Pursuing LEED (Leadership in Energy and Environmental Design) certification.  
- Obtaining BREEAM (Building Research Establishment Environmental Assessment Method) certification.  
- Utilizing Green Star (Green Building Council of South Africa) certification.

9. **Employee Sustainability**  
- Promoting green commuting options like carpooling, public transit, and biking.  
- Encouraging employees to use reusable water bottles and coffee cups.  
- Providing sustainability training and resources to employees.

10. **Community Engagement**  
- Partnering with local environmental organizations for green initiatives.  
- Organizing sustainability events and workshops for the community.  
- Supporting local green businesses and farmers.

11. **Green Procurement**  
- Establishing green procurement policies that prioritize sustainable suppliers.  
- Conducting sustainability audits of vendors and suppliers.  
- Encouraging suppliers to adopt sustainable practices.

12. **Green Design**  
- Incorporating passive design strategies like natural ventilation and shading.  
- Using green design principles to optimize building performance.  
- Collaborating with architects and designers on sustainable building solutions.

## INTERNAL QUALITY & EXTERNAL CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) at Sri Ramakrishna Institute of Higher Education and Research (SRMER) has contributed to transformative quality in delivering institutional quality through innovative initiatives, successful audits, and acclaimed external accreditations during the reporting period.

### Organisational Excellence and Strategic Leadership

IQAC at SRMER, guided by Prof. Dr. Uma Selen (Chairman) and Prof. Dr. A. Raji (Joint Coordinators), operates through an effective structure comprised of a Steering Committee, Core Committee, and Faculty Quality Cell, ensuring seamless quality integration at all institutional levels.

### Major Accreditations and Rankings during this period

- **WBA Accreditation:** Notably, during this period, both the Faculty of Management and the Faculty of Pharmacy secured and reaccredited respectively by the WBA accreditation, consolidating robust educational standards and sublimated quality for their programs.
- **WIRF Rankings 2025:** SRMER continued its reputation in the WIRF-WIRF national rankings, with notable placements—University Rank: 88, Medical College: 21, Dental College: 18, Pharmacy College: 58.
- **Participation in External Rankings:** IQAC supported active participation in reputed surveys, including Outlook, The Week, and other national benchmarks, further strengthening SRMER's profile and visibility in the higher education landscape.

### Capacity Building and Institutional Events

Over the last year, IQAC organised a series of impactful events along with the Faculty Quality Cell:

- **Advances in Benchmarking Best Practices:** Indian Knowledge System, micro-credentialing, Smart Approach Writing, SMART Publishing, and others, making 8 to 18 projects in this period.
- **IQAC, as partner with UBAU,** conducted the global event on **Work Compensation and Insurance Practices** leded by the expert-based experiences of SRMER.
- **Academic programs** supporting **WBA, micro-credentialing, international accreditation, and best-practice publishing.**
- **IQAC partners with the Medical Education Unit of SRMER** and conducted a capacity development workshop on **teaching in blends**, and we have also obtained a copyright for the workshop, which was well-received by participants across the country.

### Impact and Future Focus

IQAC at SRMER remains dedicated to its mission of promoting stakeholder engagement, capacity building, and best practices, including accreditation.

## SUSTAINABLE DEVELOPMENT GOALS (SDG)

SR Research & Institute of Higher Education and Research (SRHER) has made significant progress in advancing the United Nations Sustainable Development Goals (SDGs) during the academic year from July 2021 to June 2022.

To institutionalize sustainability efforts, SRHER established an SDG Implementation Committee with senior faculty representatives from 10 constituent colleges. This diverse committee coordinates SDG-related activities, facilitates communication, and ensures effective documentation and reporting in alignment with quality assurance standards.

In a landmark development, SRHER created and approved an SDG Implementation and Assessment Policy. The policy aims to educate all stakeholders about the 17 SDGs, integrate SDG principles into curricula, extracurricular activities, research, governance, and administrative practices. It promotes workshops, sustainability drives, research funding, and green campus initiatives, with clear roles defined for faculty, students, administrative staff, and management. Furthermore, the policy includes annual evaluation and reporting mechanisms to measure progress and guide continuous improvements.

To increase the institution's visibility and strengthen its SDG commitment to social media, university-specific hashtags such as #SDG@SRHER and #SRHER@SDG were created. These hashtags help amplify institutional achievements and engage the broader community in sustainability discourse.

In May 2022, SRHER hosted a virtual site event titled "Water Conservation and Innovation Practices" at the United Nations Science, Technology, and Innovation (STI) Forum. Organized by the SDG Committee in collaboration with the IQAC, this event showcased the university's innovative approaches to sustainable resource management and global partnership engagements.

A dedicated email channel was also established to streamline SDG-related coordination, documentation, and collaboration with external research bodies and distribution agencies. Collectively, these initiatives highlight SRHER's comprehensive and institution-wide commitment to embedding sustainability in education, research, and community engagement, continuing actively toward a sustainable future.

## INFORMATION TECHNOLOGY & COMMUNICATION

### Introduction

This report highlights our progress in digital infrastructure, automation, and new applications to assist operational efficiency, user experience, and academic administration. Our operational key strengths are healthcare services, system integration, and staff productivity, reflecting the institution's commitment to innovative, data-driven, and secure digital solutions.

### Key Achievements and Project Highlights

#### I. Healthcare Information Systems (HIS) & Clinical Applications

- **Discharge Medication:** Streamlined discharge workflow to improve accuracy and reduce patient wait times.
- **Digital Cross-Referrals:** Implemented a cross-referral system to enable seamless department-to-department referrals and continuity of care.
- **Dynamic Audit Trail (DART):** Deployed real-time audit trails to support continuous improvement.
- **E-Lap Book:** Launched an electronic lapbook for recording and tracking clinical procedures, enhancing data accessibility.
- **Ordering & Pricing:** Automated ordering and pricing processes to reduce administrative burden and ensure regulatory compliance.

#### II. Administrative & Process Systems

- **Telephone Directory:** Rolled out a centralized, up-to-date digital staff directory.
- **Ticket Management:** Implemented a robust IT service management system to track resolutions and improve user satisfaction.
- **EL Excuseness Drive Subsystem:** Introduced an online portal for timely Leave encashment submissions.
- **Feeless Advance Clinic Request:** Implemented a seamless online workflow for health services.
- **Accounts Operations Enhancement:** Automated processes and data integrity improvements within the Accounts department.

#### III. Student & Academic Management Systems

- **Student Directing Out Online Booking:** Launched a streamlined online counseling booking system.
- **INMOBIE & Quotely Bank:** Developed an internal forecasting module and centralized digital bank to streamline cost management.
- **YORK SUDAN:** Rolled out a comprehensive academic platform to support learning and administration.
- **SMART:** Implemented an electronic Academic Performance Indicator system for faculty.
- **CRM:** Introduced a student Student Relationship Management tool to enhance engagement.

- **Hotel Dashboard:** Created a year-wise, gender-based occupancy dashboard for hotel management.
- **Timeline with QR Code Enhancement:** Upgraded timeline with QR code access for quick activities retrieval.
- **OTFENG Setup Online:** Implemented online offered stop-up submissions for students.
- **Academic Calendar Enhancement:** Made the calendar more LMS-like, accessible, and centralized.
- **Dental TM Feedback & Dental Purification:** Implemented 360-degree feedback for the Dental Department and a digital portfolio for dental students.

#### Communication Team Achievements:

- Managed 4 social media platforms (2,22,000+ followers)
- Established official WhatsApp channels for real-time updates
- Organized 20+ live streaming events
- Created 12,000+ creative materials
- Produced the 2024 LACOP-10Ks
- Organized 20+ live webinars with submitted 2-certificates, enhancing inclusion and professional development.

#### Conclusion:

We will continue innovating with greater automation, stronger data security, and more integrated systems to deliver a seamless digital experience for students, faculty, and staff. Our ongoing collaboration across IT and Communications will align technology solutions with the Institute's strategic goals and Convocation needs.

## UNIVERSITY EXAMINATION AND RELATED ACTIVITIES

All the University Examinations for the 14 Fac. Dep. of BRUNN are being conducted as per the regulations of respective programs, advisory guidelines of respective Councils, and under the guidance of the Examination Standing Committee.

Between July 2024 and June 2025, the office of COE has generated about 3729 question papers and processed 74, 200 theory scripts. The total number of examinations conducted is 4872.

The overall pass percentage is 50.31% in the university examinations conducted for the academic year 2024-2025.

The total number of Ph. D. Public Veterinary examinations conducted in the distributed mode is 22 of which 27 are full-time candidates and 21 are part-time candidates.

All mark sheets and degree certificates of students who have passed examinations in 2024 have been uploaded in the National Academic Depository (NAD), while the same is being done for students who have passed examinations in 2025.

The 7<sup>th</sup> Examination Standing Committee met on June 20<sup>th</sup>, 2025, to deliberate on processes and procedures.

## DEPARTMENT OF HEALTH PROFESSIONALS EDUCATION

The Department for Health Professions Education has been renamed as the Centre for Professional Development (CPD) based on the approval from the University Development Committee and UNC meetings held on 21<sup>st</sup> October & 26<sup>th</sup> October 2024, respectively.

The Dean of Education is the officer-in-Charge of the CPD and oversees the curriculum initiatives and Faculty Development through the 5 education units- Department of Medical Education, Dental Education Unit, Pharmacy Education Unit, Nursing Education Unit, Education Unit for Health Science Colleges - Unit 1 and Unit 2. Each of them has its own administrative structure with a Curriculum and Faculty development wing.

### University Curriculum Committee

The University Curriculum Committee oversees all its statutory and non-statutory programs and Value-added courses offered by SRM-RR. It ensures that the proposed curriculum and all curricular changes continue to the integrity of SRM-RR's academic are permitted, and reviews and recommends the curriculum to the Board of Studies. The following initiatives were approved in the academic year:

## **CHOICE BASED CREDIT SYSTEM (CBCS)**

The Choice Based Credit System was implemented in all Universities under the Ministry of Education and Research (MHR, DU) in the academic year 2012-13 as part of ongoing reforms in higher education introduced by the University Grants Commission of India (UGC, Govt). The major objective was to enhance academic standards and quality in higher education through innovation and management in the curriculum, teaching-learning process, and evaluation system. One of the reforms in education was to provide a standardised CREDIT system, which solves the difficulty for the students and the employes to understand and infer the status/ performance of the students graduating from different Universities and colleges in the country. This will facilitate student mobility across institutions within and across countries and enable business employers to boost the performance of students. To bring in the desired uniformity in grading system and method for computing the cumulative grade point average (CGPA) based on the performance of students in the examinations, MHR (DU) adopted the UGC formulated guidelines.

CBCS model provided the opportunity for interdisciplinary learning for the UG, PG and integrated level of health science programs (not under statutory regulations) offered from the Faculties of Psychotherapy, Allied Health Sciences, Management Sciences, Sports and Exercise Sciences, Choice Research, Biomedical Science And Technology, Public Health, Behavioral and Social Sciences.

In 2023, over 57 UG, PG and integrated programs came under the CBCS model of Curriculum. All the programs under these regulations have a maximum of 20% elective credits. The elective credits offered to the departments at the DU numbering over 58 (BE 08, S 42, 11 BE) were restructured to provide for outcome based, student centred mode of teaching, learning experience for the students.

The NEP 2020 course framework, initiative of value-based courses, adopted for disciplines such as the Bachelor of Business Administration (BB) and Bachelor of Commerce (B.Com). Four-year programs with Honors and research component introduced. An exit option has been opted at the end of the third year for programs such as B.Com and BBA in Medical Biotechnology.

Self- Learning Courses- MOOCs Certification and transfer of credits (with respect to UGC (Credit Framework for Online Learning Courses through SWAYAM) Regulation, 2018, New Delhi, 18 July 2018, vide No. F 1-1002/2018(MOOCs-course-content)) In the academic year, 2018 the policy on transfer of credits for electives approved by all faculties Council. This enabled our students to widen their choice of electives including those offered by SWAYAM-NPTEL through a local channel for coordinating the students registration.

Achievements of MHR-HEA participating in Online Learning Courses through SWAYAM- MHR-HEA received West Asia LC award (2019-2020) from NPTEL, and collectively has earned two hundred LC for the past 2 years in NPTEL category. Currently, around 120 students per semester opt for the SWAYAM-NPTEL courses towards earning their credits.

## CENTRAL LIBRARY

Dr Ramachandran Varadar of Higher Education and Research has automated its central library with Integrated Library Management Software (ILMS) developed by in-house software team. The library receives updates immediately. Library users have access to electronic resources content across language through "Browsing" facility software through the library online portal. By using this software tool, one can record the holdings, manage the resources, track and submit reports. Central library insists users to register their physical presence in and out of the library through a biometric reader to track usage. To assess the usage report of the subscribed content, users are also advised to utilize the online resources used their id as credentials. The digital library section is equipped with dedicated systems for subscriptions to online resources. Moreover, the library premises are enabled with WiFi connectivity, therefore, users can access digital content on their devices. Clinicians can access evidence-based databases through mobile apps in the central library. RFID technology has been implemented where materials have been tagged with tags so that materials can be checked in and out of a single device as well as organizing them of books through the detection RFID gate which minimizes loss of materials to a greater extent.

RESEARCH

## RESEARCH AT BRIER

Research at BRHHR continues to evolve, gaining considerable depth and impact in established thematic areas of research such as environmental health, genetics and molecular biology, cancer biology, medical virology and pathology, oral health, rehabilitation sciences, pharmaceutical sciences, biomedical sciences and stem cell and regenerative medicine. Newer thematic areas such as bio-nanotech, health care technologies, artificial intelligence and data science applications in health care, health care management, educational research, social science interfaces with health care are rapidly gaining momentum. Several centers of excellence created through extra-mural support from Government of India including the ICMR Center for Advanced Research in Air Quality, Climate and Health, The DST-Wellcome India Alliance funded Center on Speech & Hearing Disorders in Children (2016-21) and international centers such as the NIAH-UK funded Global Center on NCDs and Environmental Change in India and The National Institute of Health (USA) funded Center focused on Early Childhood Caries (ECC) are anchoring multiple fee, hospital secondary and hospital-based research teams to address priority health concerns in longitudinal cohorts. BRHHR also continues to serve as a World Health Organization Collaborating Center for Research and Training in Occupational and Environmental Health since 2007, and BRHHR has been recognized for a fifth consecutive term as a WHO-CO, with activities now spreading in countries in the South East Asian Region.

The BRHHR family of researchers which now spans across all of the 14 faculties, are currently engaged in 40 projects with extra-mural grant support to the tune of 40 cores. As in the past BRHHR continues to receive funding from premier Governmental funding agencies including the Department of Biotechnology, Department of Science and Technology, The Science and Engineering Research Board, The Indian Council for Medical Research, The Indian Council for Social Science Research and The Department of Health Research, and international funding agencies including The US National Institutes of Health, the Bill & Melinda Gates Foundation, The National Institute for Health Research (NIHR) UK and the Wellcome Trust. Dr. R. Venkateshwar and Dr. Lakshmi Ravathi Paunassy from BRHHR027, Dr. Jagendra Kishorey, Dr. Soupreya Jyoti Kinnar and Dr. Kavanya Jyoti Karaput from BRHHR 4, 91 and 93, Sandeep Kumar Venkatesan from BRHHR have newly received collaborative, multi-institutional, large income grants in the current year. Dr. Moha, Ilungar from BRHHR and Dr. Naveen Paunassy, BRHHR continue to receive the support for Phase-2 from ICMR after successful completion of phase-1 work.

This year, BRHHR achieved an important cumulative milestone of exceeding 13,000 publications and receiving over one lakh faculty F&D (research) citations with an H-Index of 180. Dr. Kalpana Ganesan, Dean (Research) continues to rank among the top 2% of world scientists in the field of general and internal medicine for the 4<sup>th</sup> year in a row according to the annual Stanford University report. Dr. Rameen Sabu, GmHHR, Paediatric Urologist is also recognized in Stanford University 2024 report world top 2% scientist.

A total of 1112 publications were made during the period 2024 in the SCOPUS/PUBMED/ Web of Science journals with impact factors ranging from 1 to 188. Some of the highest impact factor journals that featured publications by BRHHR faculty include Lancet, the New England

Journal of Vascular Medicine and Biology, Journal of Clinical Oncology, European Heart Journal, The Lancet Infectious Diseases, Circulation, Journal of the American College of Cardiology, Blood, The Lancet Global Health, American Journal of Respiratory and Critical Care Medicine etc., in addition with the scientific publications, 20 new patents were filed, 22 patents were published and 4 patents together with 62 copyrights were awarded in the year 2021.

In order to nurture research aptitude and skills among the students and early career researchers, the Chancellor has instituted fellowships for undergraduates and doctoral students as well as early career faculty. Around 100 undergraduates students, 60 PhD students and 20 faculty members are awarded support under the scheme every year. In February 2021, BR4GR organized the 2021 National Science Week with over 117 students to showcase their research publications, 170 research e-poster presentations by undergraduates, undergraduates, PhD and early and senior researchers and aspiring entrepreneurs. Certificates of appreciation were provided to authors of Q1 publications and high volume grant awardees. Dr. T. S. Rao from the former Senior Advisor (Additional Secretary Rank), Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India presided over the Science Day Celebrations. Thematic lectures on various aspects of research, Journal reviews and selection for publications as well as Supporting for national and international grant-in-aids were organized to upscale the Research culture.

The BR4GR Innovation and Incubation Center (BR4IC) set up with funding support from the BRAC- DBT, Govt. of India is now a Section 8 company. Currently, a total of 33 companies in the incubator with includes (i) 14 faculty-led and (ii) 19 external incubates, (iii) 2 faculties and (iv) 2 student-led entrepreneurs are in the co-creating stage. Additionally, there are 10 pre-incubates, all of whom are students and graduates for entrepreneurship. The incubated startups span diverse fields areas such as MedTech, Space science, marine technology, climate change and sustainability, EdTech, and food and nutrition.

Extensive sensitization exercises have been conducted with the support of members of the Institutional Innovation Council of constituent faculties and incubation Ambassadors (key leaders of innovation circles) of the University. Dissemination of our University's revised IPR, Entrepreneurship and Innovation Policy for Faculty and Students in line with the National Innovation and Startup Policy was also undertaken to boost the ecosystem. Furthermore, incubated reviews, mentorship and support has been provided to help incubatees succeed in their efforts. Over the past three years, incubates and pre-incubates have collectively received grants amounting to \$3.17 crores, with \$ 1.66crore from Startup TN grants in 2021-22.

There are currently 6 functional status between BR4IC and foreign/other institutions. Universities/Institutes by strategic & research collaborations, with provision for students and faculty exchanges with for conducting teaching & research programs. MOUs include research arrangements with Foundation for Innovation and Social Entrepreneurship (FISE), Hui University Teaching Hospital, NHI Trust, Colorado State University, Indian Institute of Madras and Ulsan Institute of Technology.

## HEALTHCARE

## HEALTHCARE

SRM Institute of Higher Education and Research (SRM-IHER), a centre of par excellence with a steadfast emphasis on quality medical education, advanced research, and compassionate healthcare, continues to be ranked among the top 25 medical-care universities in India.

Located under a lush, refreshing green canopy, SRM-IHER provides an inspiring environment that fosters learning, innovation, and holistic development. The Institute excels as a centre of excellence that integrates education, research, and service to humanity, creating a benchmark for medical and health sciences education in the country.

### World-Class Healthcare Facilities

SRM-IHER operates through two state-of-the-art healthcare facilities — SRM Ramakrishna Medical Centre (Unit 6) and SRM Ramakrishna Hospital (Unit 8) — both designed to meet the dynamic healthcare needs of urban and rural populations. The hospitals continuously upgrade their super-specialty services in line with emerging medical advancements, offering cutting-edge ambulatory and in-patient care across a wide spectrum of disciplines.

A fully air-conditioned Central Laboratory, located in the SRM Ramasamy Udyan Block, occupies a built-up area of 3,200 sq. ft. and performs approximately 17,000 diagnostic tests per day. Most diagnostic equipment are seamlessly interfaced with the Laboratory Information System (LIS) and integrated into the Hospital Information System (HIS), ensuring instant accessibility of validated results in wards and patient-care areas upon authorization.

Unit 1 has a bed strength of 500, including 7 Intensive Care Units with a combined capacity of 120 beds. The Blood Bank, located over 10,000 sq. ft., is among the largest in Asia, providing state-of-the-art blood and component transfusion services that support complex medical and surgical care.

### Excellence in Radiology and Imaging Sciences

SRM-IHER's Department of Radiology achieved a historic milestone by being recognized under the European Training Assessment Programme (ETAP 2.0) and awarded the Silver Certificate of Excellence in Radiology Education — becoming the first in Asia to receive this distinguished honour.

The Centre of Excellence in Radiology and Imaging Science (CERIS) houses world-class technology and expertise in Musculoskeletal Imaging, Women's Imaging, Neuroimaging, Dental Imaging, and Abdominal Imaging. The centre offers advanced radiologic/therapeutic procedures and image-guided interventions using state-of-the-art equipment including:

- 600V Double Unit
- 125-Gilga DT Scanner (60 Revolution DVC)
- 37 MR (125-channel) 60 Avance
- Advanced PET-CT scanner
- X-Ray Units (DR and CR Systems)

Operational workflows are fully digitized through a robust Picture Archiving and Communication System (PACS), enabling hospital-wide digital storage, retrieval, transmission, and presentation of medical images — thereby enhancing diagnostic efficiency and patient outcomes.

## 26 Ramachandra Hospital (Unit II): A Centre for Learning and Healing

26 Ramachandra Hospital, Unit II, is a tertiary care teaching and training centre dedicated to education, research, and patient care excellence. It provides a vibrant clinical learning environment for over 6,000 students from diverse disciplines including medicine, nursing, physiotherapy, occupational therapy, dental, nutrition, speech and hearing, anaesthesia, hospital and healthcare management, and allied health sciences.

The hospital offers comprehensive inpatient and ambulatory services, supported by well-integrated diagnostic, therapeutic, and rehabilitation services. In alignment with its vision, the hospital strives with concerted efforts to fulfil the needs of the community by achieving excellence in patient experience and clinical outcomes.

Recently, Unit II enhanced its paediatric and neonatal critical care capacity – increasing the ICU plus NICU bed strength from 42 to 66 and the Paediatric ICU capacity from 12 to 16 beds, reflecting its commitment to care newborn and critically ill children best.

6	BT Room No.16	GGG	Video GGG implemented 26.04.24

### DEPARTMENT OF RADIOLOGY

- The Department has acquired advanced Luma system. These systems are able to take multiple images, hence it is possible to acquire the image of the whole limb in just few. Some of them are AI enabled and help in detecting lesions.
- Two ultrasound machines with artificial intelligence features have replaced some of the old machines. Hence, labeling / tracing of structures have become easier and more efficient. Electrometry feature in these machines helps in fat quantification and better prediction of malignancy. Doing contrast ultrasound is simpler because of these machines.
- The mammogram machine got upgraded so that contrast studies could be performed. Various advanced biopsy systems (VABB/VAB) equipment has been added to the interventionist. VAB is a minimally invasive procedure used to remove breast lesions, particularly benign ones, using a vacuum-assisted device under imaging guidance. VAB is less invasive than traditional surgical excision, typically involving a small incision.
- The previously acquired 1.5 Tesla MRI is being upgraded with the latest hardware and software especially with artificial intelligence features. By this, the machine is more technologically, the scanning times is reduced and better resolution achieved.
- The department has recently installed a 1.5 Tesla MRI scanner in addition to the existing 3T MRI Scanner. It is enabled with AI features that reduce imaging time, simpler with setup. Advanced software like motion correction techniques, model-based motion correction, updated cardiac and neuro analysis are some of the key features.

**DEPARTMENT OF NUCLEAR MEDICINE**

The Department of Nuclear Medicine has implemented the <sup>18</sup>F-DGLUFB-GENERATOR PIMA BOTA SCANN<sup>®</sup> from MARCH 2022. The first case was done on 23<sup>rd</sup> March 2022 in PET-CT Department. So far, scan done for 22 patients.

## ALUMNI ASSOCIATION

The Alumni Association of Sri Ramachandra Institute of Higher Education and Research (SIHESR) started in 2010 as a student and staff-led body and has been registered as the 'ALUMNI ASSOCIATION OF SRI RAMACHANDRA INSTITUTE OF HIGHER EDUCATION AND RESEARCH' under the Tamil Nadu Society Registration Act 1976 on 12th November 2010. Now, as the individual faculty-student chapters are merged and work together through the Central Alumni Association. There are currently 28,313 alumni registered through a centralized alumni management system 'Alum Book' of which 300 are an alumni of faculty post graduate students. Around 228 graduates have embarked on further studies at overseas institutions worldwide.

The alumni chapters have actively conducted guest lectures and workshops, fostering engagement within their networks. The Alumni Association demonstrates its commitment to social responsibility through various initiatives, such as donating ₹10,000 to the Sri Sri Sankar Bhavan Charitable Trust during Covid operations and donating 750 sarees to Vaidyanathan during the rainy season.

The Alumni Association has also extended financial support to students through scholarships for undergraduate and Ph.D. courses, as well as research fund scholarships. Additionally, the Alumni Chapter contributed Rs 1, 00,000 towards the acquisition of a new LED Monitor, reflecting their ongoing commitment to enhancing the Institute's infrastructure and also sponsored Rs 2,50,000 for the Accreditation Planning and Quality Conference.

Through these collective efforts, the Alumni Association of SIHESR continues to strengthen its ties with the community, demonstrating a powerful legacy of service, support and excellence.

The Alumni of the university also conducted guest lectures, career guidance programs, seminars, CME, CDE and workshops in their various professional faculties for the benefit of students.

#### STUDENT COUNCIL ACTIVITIES

The Student Council of STPMER Sri Perak Auxiliary Year 2024-2025 embarked on its journey with the Inaugural Ceremony held on July 10, 2024. The ceremony marked the formal induction of the newly elected members and was graced by eminent dignitaries. Ms. Chitra Senthil, the outgoing President, presented the achievements of the previous council. Dr. Uma Ravi, Vice-Chancellor, delivered the message of STPMER and Ms. Roshana Anwar, the new President. The council comprised 48 elected students representing the 12 faculties of STPMER. The Student Club Handbook and the 2023-2024 Council Club Activity Report were also released on the occasion, marking a promising start.

Continuing its vibrant streak, the council celebrated Teachers' Day on September 5, 2024. The event, held at the main auditorium, saw enthusiastic participation from faculty members across departments. The celebration featured student-led dance performances and audio-visual tributes to the Music Club, Leadership, and Visual Art Club, reflecting their diverse talents. Making the event both entertaining and heartfelt.

The third Club Meeting on September 18, 2024, served as a hub of discussion and collaboration among student clubs. Nearly 250 participants attended, and certificates were awarded to the 2023-2024 Club Exec Members for their dedication. Ms. Sathya welcomed the dignitaries and encouraged student involvement, while Ms. Subhendra provided an insightful overview of the incoming council's responsibilities. The event of a poetry slam by the English Literary Club marked a cultural highlight.

The festive spirit of total heritage was showcased in Full Unity, conducted on November 22, 2024. This multifaceted cultural event involved several clubs, highlighting various art

education contest by the English Literary Club, a poetry competition by the Agal Tami Club, and a science symposium hosted by the Medical Club Club. These events and the games performed by the Dance Club further decorated India's vibrant and cultural tradition.

On November 24, 2024, the council led the Constitutional Day celebration, emphasizing the importance of India's democratic values. The Medical Club hosted a Nursing Registration exam for young cancer warriors, while the Photography Club and Robotics Club presented a visual and spoken tribute to the Constitution. The day also included a Grand Constitution Quiz conducted by the Quiz Club, keynote speeches and performances that reinforced civic awareness.

Moreover, the grand Christmas carnival, held on December 9, 2024, and seen an unprecedented turnout of over 4000 participants, known for its festive vibe. Students featured spectacular food stalls and a festive atmosphere, offering a wide variety of cuisines, promoting entrepreneurship. An art therapy workshop added a unique touch, combining wellness with creativity and innovation.

The year culminated with Dharma 2024, a vibrant celebration of the Indian New Year held on April 10th. Featuring 16 lively stalls and 12 entrepreneurial student ventures, the event showcased games, tradition, and innovation. A regional competition and energetic dance fest session added festive color and joy, leaving a memorable impression on the campus.

In addition to leading activities on the campus along with the student clubs, the student council of 2024-2025 also actively coordinated several activities of the student community outside campus. For example, the student council led the student community of SRMIST actively in several initiatives in Chennai city, including the Chennai Run Marathon, Red Youth 4K Marathon, Women's Day Marathon, and 4th-8th Invention to raise awareness about various social causes, including showcasing its commitment to health and social responsibility. The Student Council also volunteered at multiple events on campus, including the Founders Day celebrations, the convocation, and the graduation party.

From campus to innovation, the student council of 2024-2025 consistently fostered leadership, creativity, and collaboration, setting a high benchmark for student engagement and campus life at SRMIST.

## NATIONAL SERVICE BONDING

Between June 2024 and May 2025, the NSB units carried out 45 activities focused on development, health care, education, citizenship, cultural events, and social outreach. These programs strengthened student participation while making a meaningful impact on surrounding communities.

Under environmental initiatives, 2,000 seedlings were planted through 11 drives, testing students on sustainability. Non-yoga programs trained 2728 students in healthy living, while seven business drives in villages, eco-parks, and beaches removed nearly 300 kilograms of waste, supporting the National Waste Management.

In healthcare, 40 medical camps, including multi-specialty and food relief efforts, benefited 1472 rural and slum residents. Project VOICE reached 274 students, improving English communication and confidence. Cultural and awareness programs such as Kargil Drive, National Youth Day, and Darul Uloom Ulema visited thousands of students with values of patriotism, social service, and leadership.

The NSB units also raised Rs. 14,98,860 for developmental projects. Major contributions included Rs. 2,00,000 from NEXTPON Project Management Systems Pvt. Ltd. for building 20 toilets in access villages and Rs. 10,27,060 from Data Partners India Ltd. for establishing a Childrens Park at Ajithery. Additional support funded educational, medical services, school construction, and welfare activities.

Through these initiatives, 400 promoted sanitation, health, environmental conservation, and youth empowerment, leaving a positive mark on both students and communities. The years activities reflected the NSB motto of "Not Me, But You", fostering volunteerism and social responsibility.

## SOCIETAL ACTIVITIES BY STUDENTS

The Student Council of Sri Ramachandra Institute of Higher Education and Research (SRHER), along with its vibrant student clubs and community, has consistently demonstrated an unwavering commitment to social outreach and community development through diverse societal activities.

The English Literary Club (ELC) and the Yoga Club regularly conducted programs for students from government and government-aided schools, in collaboration with NSS. The NSSB inspired by the English Literary Club is an initiative aimed at improving English communication skills among students. Similarly, the Yoga Club provided wellness through the Yoga Wellness Program for students. In addition, the Yoga club conducted the World

Meditation Day and the International Day of Yoga and conducted the Gender and Peace programs in collaboration with multiple departments on campus. The Green Heroes Organization (GHO) hosted events like a Doctor Health and Hygiene Camp, Lung Cancer Awareness Month, International Day for Elimination of Violence Against Women, Blood Donor Drives, and the Green Thumbs Club. Several blood donation drives were conducted on campus by the student club.

Students played a pivotal role in impactful events with various cancer warriors, including some for educational activities, site visiting, and distribution of the Pediatric Awareness Book in collaboration with the English Literary Club and Green Friends Organization.

The Robotics Club conducted a Road Safety Awareness Program in collaboration with the Faculty Club of Physics, Power, and the World Of Innovations. Clubs came together for a Club-Fest: No Awareness Not Allowed, Theater, and GPO.

The student community at SRMISTR participated in the Global Rare Herdick, Red Youth Day, Marathon, Women's Day, Marathon, and Anti-Drug Marathon to raise awareness about various social causes, including showcasing its commitment to health and social responsibility.

The Student Council and the Student Club programs reflected active collaborations with a wide range of governmental officials and organizations, ensuring community reach through institutional cooperation. These efforts reflect the passion, dedication, and collective effort of SRMISTR's student body in creating a positive societal impact through meaningful, inclusive, and up-to-date initiatives.

## NEWSLETTERS

**Bridges:** Bridges, the official newsletter of St. Rosechona Institute of Higher Education and Research, has for over 17 years served as a vibrant voice of the university's academic, cultural, and social life. Acting as a time capsule, it highlights achievements, outreach programs, and the university's commitment to societal service. With dedicated sections for Student Council, Sports Patron, and H&E activities, it reflects the holistic growth of students. The Bridges' Core provides a platform for creative expression through poems, articles, and essays in English and Tamil. Annual anniversary celebrations encourage participation from students, faculty, and staff. Bridges continues to unite, creatively, knowledge, and service—empowering the community within the university through its insightful and inspiring content.

**Devotion Inside IIT:** is the official newsletter of St. Rosechona's Devotee College & Hospital. It is published quarterly, with three issues released each year in January, May, and September. The newsletter celebrates festivities in the Devotee context, new initiatives, Committee progress, scientific projects, tributes, and healing. PARTS OF THE FACULTY, ADMINISTRATIVE STAFF, and students, month reviews, case-of-the-month, an Alumni corner, a book's corner, testimonials, and an exclusive podcast.

**Edgewise** is an annual nursing newsletter by the St. Rosechona's Faculty of Nursing, SRMIST (DU). It serves as a vibrant platform to showcase the achievements and activities of the nursing faculty, students, and alumni. The newsletter covers a wide range of topics, including spotlights, faculty development programs, recognitions, and awards. It also provides information about research grants, patents, copyrights, publications, and poster presentations. While its primary goal is to promote innovation and participation, the alumni section fosters ties and celebrates accomplishments. By notifying readers of upcoming conferences, workshops, and activities, the newsletter encourages the audience to collaborate and drive for excellence. As the newsletter moves forward in future nursing education, it becomes a symbol of growth, innovation, and resilience. It not only highlights achievements but also inspires the nursing community to dreaming and reach the future.

**Edgewise** is a vibrant newsletter published by SRMIST that highlights the achievements of both students and faculty members. It features student and faculty narratives in the Editor's Corner, series of events hosted by SRMIST, and valuable knowledge created by faculty members through research. Edgewise emphasizes its reach through the Dub Corner and showcases the accomplishments of SRMIST alumni, collaborations with industry partners through Memoranda of Understanding (MoU), outreach programs, and impactful case studies reported by the institution, local trends and developments in the industry. To date, eleven editions of Edgewise have been successfully released, making it an integral part of the SRMIST community's communication and knowledge-sharing platform.

Launched in 2022 in their International Clinical Trial Day (ICTD) May, it showcases achievements in clinical trials through student articles, interviews with industry professionals, and interactive features like quizzes. The magazine also highlights student achievements and alumni reflections. With three editions released so far, F.A.S.E.S reflects the creativity and enthusiasm of students while serving as a platform that nurtures academic growth and strengthens their professional careers in the field of clinical research.

**Frontlight:** The Department of Anesthesiology, SRMIST & H, in its commitment to bring a change in medical practice, came up with a novel initiative to create an e-newsletter (hosted) SRMIST Frontlight. Eight successful editions of the bi-annual e-newsletter issues (January / July) have been released so far with a steadfast intent to uphold patient safety goals. Each issue of the SRMIST Frontlight showcases the way facts, information, and

tioning sections and recent updates pertaining to drugs, vaccines, diseases and devices which are tailored to an audience both of faculties and students from the department. It perfectly guides the cycle of the renewal of "Passion for Better Medicine". This has proved useful to disseminate information about various activities and safety alerts of the Pharmacovigilance and Intelligigence Programmes of India (PVI & IUI) and the activities of All-India Institute of Medical Drug Monitoring Centre and Medical Device Monitoring Centre (AIMD-MDC/AMDC) among health care professionals, other agencies and Pharmacovigilance centres which will bring about needed awareness regarding the importance of adverse drug reaction reporting. The Department of Pharmacology is a designated ADR monitoring centre (AMD) from 2014 and Medical Device Monitoring Centre (AMDC) since 2021. The department strives to improve "ADR reporting" to enhance global level patient safety. The editorial team wishes to continue its efforts in disseminating such information via its AIMDC/AMDC e-newsletter with strong support from the management.

**AKH Glimosa** is the official newsletter of the Faculty of Allied Health Sciences, designed to capture and celebrate the essence of our vibrant academic community. It serves as a platform to showcase the achievements, events, and innovations that define the spirit of our institution.

Each edition of Glimosa highlights the academic milestones, research contributions, and community outreach initiatives of our students and faculty members. It reflects the innovative culture, professional excellence, and commitment to social responsibility that lie at the heart of Allied Health Sciences.

Curated by a dedicated editorial team comprising faculty and student representatives, the newsletter brings together inspiring stories, insightful articles, and creative expressions that embody our pursuit of knowledge, service, and growth. Through Glimosa, we aim to document our journey of learning, innovation, and impact – a true reflection of the dynamic, AHS team.

**OT Digest** serves as the official journal/newsletter of the All-India Institute of Occupational Therapy (AIOT), published twice yearly (January and July). The newsletter reflects AIOT's dedication to academic excellence, clinical innovation, and community engagement. Each edition showcases the faculty's initiatives, research accomplishments, student achievements, outreach programs, and creative endeavors, offering a vibrant portrayal of the institution's dynamic growth. Highlights from July 2024-June 2025 include the AICTE accreditation of the A & OT program recognized by the state Health Organization, the Occupational Therapy Professionals prestigious FACOT fellowship awarded to Prof. Rajarajam S. Reddy - AIOT, the release of "Rajarajam's Occupational Therapy: The Healing Revolution, Soluble to Solen - Book Release," and numerous symposiums, drives and international collaborations. The OT Digest stands as a comprehensive chronicle of AIOT's journey, upholding education, service, and innovation. Through its pages, readers witness how the faculty continues to inspire, challenge, and lead advancements in Occupational Therapy education and practice nationally and globally.

**Connections** a student newsletter introduced in 2022 by the student council, is a platform that celebrates and fosters the vibrant relationship with and within the Student Council and the Student Clubs. It is released every four months and circulated as an e-copy to all students and faculty of the university. The three issues of 2024-2025 showcased the yearly VTC activities of the student council and the student clubs. The Connections Annual Book-2024-2025 presented the synopsis of the three issues and additionally presented the experiences of the student council as well as notes from the good members of the 12 student clubs on campus. The major student achievements from the 12 different faculties were also featured in the annual book.

## BIRRAMSWAMY CENTRE FOR WOMEN'S ADVANCEMENT

Bir Ramaswamy Institute of Higher Education and Research (BRIHQR), Dattam University, has been at the forefront of empowering women by providing various training to support women employees. Bir Ramaswamy Centre for Women's Advancement (BRWCA) since its inception in the year 2007 has been engaged in various activities to fulfil its vision to empower women in all spheres of life through professional and personal advancement.

### Summer 2023-24

A seminar on women's empowerment addressed soft skills, financial literacy, and non-DE learning, English language and computer skill enhancement programs for administrative staff strengthened workforce competencies. Female students attended a session on personality development and manual hygiene, led by a certified trainer from Grand Touch Analytics, in celebration of International Women's Day 2024, themed "Accelerate Action". BRWCA and the Kireedu Club invited all women for a special consultation. The seminar "Ignite Your Potential" provided strategies on time management, goal setting, and productivity.

An actual women's wellness addressed and coaching program was conducted at the Kuru Health and Training Centre, Mysore. The "Fit For Kuru" initiative promoted physical health through various activities organized by Faculty of Physiotherapy. Competitions such as English diction and e-poster making on the theme "Beyond Talk - Driving Real Change for Women" encouraged active engagement. The Department of Clinical Nutrition hosted creative events including Rangoli making, and Jaal Kattaba competitions, enhancing teamwork and cultural appreciation. BRWCA and Kireedu Club celebrated Central Environment Day on 29 March 2024, marking the 5th anniversary of Dr. Karoline Ramaswamy Udayar.
