The Centre of Excellence for Comprehensive Cleft and Craniofacial Care at SRIHER is a culmination of over two decades of free service towards patients with Cleft Lip, Palate, and Craniofacial Anomalies. This project is structured to provide holistic care through a multidisciplinary team approach under one roof. The core team includes specialists from the Departments of Anesthesia, Audiology, Cardiology, Clinical Nutrition, Clinical Psychology, Neurosurgery, Neurology, Oral and Maxillofacial Surgery, Orthodontics, Otorhinolaryngology, Paediatric Medicine, Pedodontics, Public Health Dentistry, and Speech Language Pathology.

In the pursuit of excellence, this team has evolved over the last couple of decades to deliver advanced care to the patients and aims to be the leading comprehensive Cleft and Craniofacial unit in the country.
